

Congress Approves St. Lawrence Seaway

CANADIAN ADDRESSES CONGRESS—Gov. General Vincent Massey of Canada receives a standing ovation as he addresses a joint session of Congress in the House chamber. Standing

behind him are Vice President Nixon and House Speaker Joseph Martin, Jr. Massey said the U. S. can count on Canada as a faithful partner in the quest for peace. (NEA Telephoto)

Steel Workers Set To Bargain For Wage Raise

PITTSBURGH (AP)—Policy makers of the big CIO United Steelworkers open a two-day meeting today to draft final plans for the first nationwide labor negotiations of 1954.

The union's 170-man Wage Policy Committee gathered to map strategy and put finishing touches on contract demands to be made on the basic steel industry later this month.

First Session May 18

The policy committee said last fall the union would seek a guaranteed annual wage, but observers believe this point won't be pressed.

Bargaining will begin May 18 with U. S. Steel Corp., the nation's top steel producer and traditional leader of the industry. Other firms are expected to set dates for negotiations soon.

The USW sent out formal 60-day notices last week telling basic steel companies it wants to negotiate new contracts to replace pacts expiring June 30 and asking them to set dates for discussion of "wages, pensions, insurance and all conditions of employment."

Business On Decline

In its bargaining with U. S. Steel and other basic producers, the USW will be representing some 600,000 workers. An additional 650,000 members will be affected, however, since the contract pattern worked out in these talks is expected to apply in negotiations later this year with fabricating and allied industries.

Last year the USW won an 8½-cent hourly pay boost, hiking average hourly rates of steelworkers to between \$2.15 and \$2.24.

Observers feel the USW will settle for less this year since the industry is in the midst of a business decline.

Body Plant Will Be Built By GM

DETROIT (AP)—A new Fisher Body fabricating plant will rise out of the ashes of the burned out General Motors Corp. transmission plant in suburban Livonia.

GM president Harlow H. Curtice Wednesday announced construction of the new plant will begin shortly. He said it is part of "the GM billion-dollar expansion program announced last January."

A \$50-million fire turned nearly a million square feet of factory space into a blackened mass of twisted steel last Aug. 12. Only the administration building, a powerhouse, garage and a two-story general office and manufacturing building were left standing.

James E. Goodman, a GM vice president and general manager of the Fisher Body division, said rehabilitation of standing buildings will begin shortly.

New construction will bring the plant up to nearly 920,000 sq. ft., he said.

The plant is expected to employ 3,000 when it is completed early next year.

Following the fire, GM leased space at the Willow Run plant of the Kaiser-Frazer Corp. GM later purchased the plant and has been using it as headquarters for its Hydramatic division.

French Garrison Clings Stubbornly To Battered Fort

By LARRY ALLEN

HANOI, Indochina (AP)—U. S.-supplied Privateer bombers dropped tons of fragmentation bombs on Vietminh troops crushing in today on Dien Bien Phu. Dive bombers and fighters from an aircraft carrier in the Gulf of Tonkin joined in a massive air assault on the rebel lines.

A French army spokesman said the fragmentation bombs—which burst into thousands of splinters before hitting the ground—tore big gaps in the Communist-led Vietminh ranks. The Vietminh had regrouped and bolstered their attack positions earlier today but gave no indication when they might unleash their next massive assault.

French army headquarters reported the critical hours of darkness Wednesday night passed "calmly" for the garrison troops stubbornly clinging to the core of the fortress defenses. The maze of trenches, dugouts and bunkers is now less than five-eighths of a mile across.

It was the second night in a row without ground action. Rebel artillery and mortars, however, kept up incessant pounding of key French positions to soften the way for the next infantry charge. Hitting back French guns lobbed more shells

Cable Reel Kills Boy In Detroit

DETROIT (AP)—A 5-year-old boy was killed Wednesday and another youngster injured when they were pinned under a heavy cable reel in a pole yard of the Michigan Bell Telephone Co.

The dead boy was Edward K. Florence, son of Mr. and Mrs. William Florence of Ferndale.

Loren Dowell, 11, also of Ferndale, was in critical condition with internal injuries.

Police said the two boys were playing in the pole yard with some other youngsters. A 3,200-pound reel was at the top of a slight incline. The boys gave it a shove. The reel moved forward, hit a rut, toppled and pinned the two youngsters beneath it.

Police were called and with the help of neighbors managed to extricate the boys. Officers said two full-grown men couldn't have budged the reel if it had been on flat ground.

Tubercular Patient Isolation Provided By New State Law

LANSING (AP)—Legislation was approved by Gov. Williams today to crack down on tubercular patients who refuse medical treatment.

The bill provides that state or local health officers may petition probate courts to order the isolation of a person suspected of tuberculosis and to confine them in a sanatorium for 60 days while examinations are being made.

It also provides that any patient who leaves a TB hospital before he is cured may be confined for a year to a state or local sanatorium.

into enemy positions in the encircling hills.

French firepower was backed by warplanes during a few hours of clear weather Wednesday.

Vietminh soldiers digging trenches in the mud flats around the main French barricades were reported within 40 yards—grenade-hurling distance—of the outer barbed wire entanglements. Enemy spearheads in one sector were only 600 yards from the headquarters of Brig. Gen. Christian de Castries, the French said.

The Vietminh radio, heard in Hong Kong, claimed the rebels had hacked their way to within 330 feet of the command post.

Benefits Increased For Compensation Of Injured Workers

LANSING (AP)—Injured workmen will get more liberal compensation under a legislative bill approved by Gov. Williams.

The bill raises minimum and maximum benefits \$4 a week in all classes.

It also grants compensation to employees going to and from work while on the premises of their employer, allows compensation for incurable insanity and imbecility resulting from a job and eliminates the distinction between occupational diseases and accidental injuries in partial disability cases.

Other bills signed:

Appropriate \$16,975,425 for public health, including a new tuberculosis case-finding program.

Allow county boards of supervisors to create county traffic safety commissions and require commercial vehicles built after next Jan. 1 to be equipped with visible turning signals.

Give local property tax exemptions to crippled war veterans who require specially adapted houses.

Allow the state to sell at auction 22½ acres of land at the Girls Training School near Adrian.

Place federally chartered savings and loan associations on the same basis as state-chartered companies as to filing annual reports and paying privilege fees.

Increase the salaries of circuit court stenographers as follows: First Circuit—\$3,750 to \$4,750; Third Circuit—\$6,400 to \$5,400; Sixth Circuit—\$4,600 to \$5,200; 13th Circuit—\$4,500 to \$5,200; 20th Circuit—\$4,500 to \$5,200; and 29th Circuit—\$3,600 to \$4,000.

Provide for an annual license renewal fee for funeral establishments and make technical amendments to the mortuary science law.

Eliminate the filing of surety bonds by wholesale petroleum distributors to guarantee payment of the state fuel tax.

Authorize the state court administrator to call judges meetings to study court procedures.

Permit the maintenance of lake level control structures from funds provided for establishing lake levels.

Allow drain commissioners to add from 10 to 15 per cent to the

Geneva 'Fiasco' Blamed On Lack Of GOP Policy

By D. HAROLD OLIVER

WASHINGTON (AP)—Sen. Guy Gillette (D-Iowa) told a national Democratic conference today the United States suffered "an astounding and unprecedented reversal" at Geneva on the question of Indochina. He blamed it on what he called a "split" Republican administration lacking a foreign policy.

He said the 1952 election put one group of Republicans in charge of the executive branch and another group in Congress. The "fiasco" at Geneva, he said, is only the most glaring example of what price America is paying in the struggle against Communist imperialism.

Backed By President

Secretary of State Dulles said Wednesday the Geneva talks are going about as anticipated and that he knows of nothing that has happened to justify an interpretation that the United States had suffered any defeat.

President Eisenhower told his news conference a few hours later he has unqualified faith in Dulles. He said no one loses a battle while the battle is still going on.

Gillette said selection of a Democratic Congress in November would not cure "the split in the Republican party, which may well be incurable, but it will heal the breach in our government and allow the President to lead America in the leadership of the free world."

Methods Outworn

Gillette, a Foreign Relations Committee member, said the country will live to regret the administration's decision not to use the United Nations machinery to halt the Indochina war.

"We could have hauled the Red aggressor before the bar of world

(Please Turn To Page 6, Col. 7)

Assembly Gives French Premier Confidence Vote

PARIS (AP)—Premier Joseph Laniel won a vote of confidence from the National Assembly today. The unofficial tally was 302 to 260.

Lone Detroit Witness Admits He Joined Reds

By GLENN ENGLE

DETROIT (AP)—A House un-American activities subcommittee finally has found a witness—not an FBI informer—who admits he was a Communist.

The admission came from William H. Johnson, recording secretary of CIO United Auto Workers Ford Local 600.

The subcommittee was in recess today so Chairman Clardy (R-Mich) and Reps. Scherer (R-Ohio) and Moulder (D-Mo) could be in Washington for the vote on the St. Lawrence Seaway. The Detroit hearings will be finished Friday and the group will move on to Lansing and Flint next week.

Fired From Ford Job

Johnson told the House group Wednesday he joined the Communist party in 1943 after he had been fired from his job at the Ford Rouge plant. He went into service and rejoined the party in 1945 for about a year, he said. Johnson said he has not "collaborated" with the party since 1946.

Johnson, a Wayne University law school graduate, said he once asked Carl Winter, then head of the Communist party in Michigan, to stop "certain disruptive practice" at the sprawling Ford Rouge plant.

The union official was on the witness stand when Clardy introduced into the record a Communist party directive which he called "the most important evidence this committee has come across."

Infiltration Outlined

The document called on all party members to concentrate on infiltrating the auto industry, particularly General Motors and Ford plants. It called a "drastic improvement in the work among General Motors workers" a "pre-condition" to advancing the party's foothold in the industry.

It called the Saginaw Valley, Flint, Saginaw and Pontiac—the "heart of the GM empire"—and referred to Flint as "the key to striking a powerful blow against social democracy." At another point the document referred to Walter Reuther, CIO and UAW president, as leader of the Social Democrats.

Subcommittee members said they obtained the document from a cooperative secret witness who appeared at an executive session of the group. It was issued in 1949, but the congressmen emphasized the strategy a "permanent" plan.

One of yesterday's six other witnesses, Paul Ross Baker, refused even to answer a question as to whether he ever attended Michigan State College.

Teachers Suspended

Baker, who told reporters but not the subcommittee he is an Inkster grade school teacher, also

(Please Turn To Page 6, Col. 6)

Lake Waterway To Be Reality After 20 Years

WASHINGTON (AP)—The House today approved St. Lawrence seaway legislation, thus ending a 20-year fight to authorize United States participation with Canada in building the international project.

The roll call vote was 241-158. Immediately prior to passage the House defeated a motion to send the bill back to committee. The roll call vote was 242-157.

In speeding the bill to passage the House refused to accept an amendment by Rep. Brownson (R-Ind) to change the financing provisions of the bill.

Bonds Guaranteed

As finally accepted, the measure provides that 105 million dollars in revenue bonds to supply the funds for construction of the United States share of the 27-foot deep waterway will be sold to the Treasury.

Brownson's proposal that the bonds be sold to the public was defeated by a standing vote of 173-79. Under the Brownson plan the bonds would not have been guaranteed by the government.

Concurrence Assured

The bill goes back to the Senate for concurrence in minor amendments voted by the House. The Senate passed the bill in January by a substantial margin.

The administration opposed the Brownson amendment.

Rep. Dondero (R-Mich), floor manager for the pro-seaway forces, told the House that the Brownson amendment would "defeat the whole project."

And, Dondero said, under a private financing arrangement the interest rate would be higher than that charged by the government.

Brownson argued that acceptance of the amendment would prevent "any pressure on the national debt." He asserted it would not cause any delay in raising funds.

Property Protected

The House, without debate, accepted an amendment by Reps. Keating and Ostergard, New York Republicans, to guarantee protection for owners of shore property on Lake Ontario against any water damage caused by the seaway.

Rejection of the Brownson proposal moved the bill close to expected passage after a 20-year fight in Congress.

A move to send the measure back to committee was beaten down by the House on a 242-157 roll call vote.

The Senate has passed the measure, which would authorize the United States to join with Canada in constructing a 27-foot-deep channel up the St. Lawrence River.

(Please Turn To Page 6, Col. 3)

Move To Demote Osgood Fizzles

GRAYLING (AP)—The Conservation Commission met today amid reports that the once-secret move to oust Deputy Director Wayland Osgood has all but petered out.

The commission in a closed, unannounced session April 11 discussed firing or demoting Osgood on the ostensible grounds he had fallen down as legislative representative for the department.

The move came to light two weeks later and legislators, organized sportsmen and others leaped to his defense. The unanimous opposition to the move by those affected in Osgood's legislative functions is believed to have scared the commission off.

The matter is not on the official commission agenda, but it may be brought up from the floor by Rep. Hugo A. Nelson (R-Indiana River), chairman of the House Fish and Fisheries Committee. He said he would be on hand to present letters and a petition from members of his committee and the House and Senate conservation committees in Osgood's defense.

The business officially before the commission includes the allocation of \$400,000 appropriated by the Legislature for new buildings and roads at state parks.

President Signs Bill For Highway Aid Of 966 Million A Year

WASHINGTON (AP)—President Eisenhower today signed a record size highway aid bill and expressed the hope that road construction can be stepped up to an even more rapid pace.

With a congressional delegation looking on at a White House ceremony, the President put his name to a measure authorizing 966 million dollars in federal aid for highway building in each of two years. The money will be used to assist the states in the construction.

The program will start July 1, 1955.

Eisenhower used seven pens to sign the bill. He finished signing his name with the sixth and said with a grin:

"By golly, that's about all the pens I can use unless I use one for a period."

And he did.

Then turning to the members of Congress grouped around his desk, the President laughed and said: "Now we've got a highway bill. Now if you fellows will get that other bill for me today, the St. Lawrence Seaway, we will be improving our transportation."

That remark was directed to the House members present. The Senate already has passed a bill authorizing United States participation in construction of the seaway project. The measure is up in the House.

Rift Over Chairman Delays Negotiations For Indochina Peace

By EDDIE GILMORE

GENEVA (AP)—East and West were reported split today over the chairmanship of the Indochina sessions of the Geneva conference. There were signs the negotiations to bring peace in Indochina may have to be postponed until next week.

Delegates had hoped to open the talks Friday or Saturday. Vietnamese and Laotian delegates got in today. The rebel Vietminh contingent was already on hand. But the hope for quick action faded with the lack of agreement on the chairmanship and the fact dele-

gates from Cambodia, partner of Viet Nam and Laos in the associated states of Indochina, have not arrived in Geneva.

And a Paris crisis over the Indochina war situation competed for the attention of the diplomats in Geneva. The fate of Premier Joseph Laniel's government was tied to a vote of confidence in the French National Assembly. Experts predicted that, after hours of debate, Laniel would win. Foreign Minister Georges Bidault decided to stay on the job here, rather than return to Paris personally to combat an outburst of parliamentary criticism.

U. S. Under Secretary of State Walter Bedell Smith received from British Foreign Secretary Anthony Eden an account of discussions Eden had with Soviet Foreign Minister V. M. Molotov after a dinner meeting at the Briton's villa Wednesday night.

An informed source said that Eden, acting on behalf of the United States, France and other interested countries, suggested a chairmanship rotating among Bidault, Eden and Molotov. While Molotov did not immediately reject this suggestion, it was said, he showed no great interest in it.

Soo Span Awaits OK From Canada

SAULT STE. MARIE, Ont. (AP)—Construction of a bridge or tunnel across the St. Marys River could start this winter if Canada passes necessary legislation, Robert Kline, attorney for the International Bridge-Tunnel Authority, said Wednesday night.

"We have come as far as the international boundary," Kline told a meeting of United States and Canadian proponents of the bridge-tunnel. "We are on the doorstep of the people of Sault Ste. Marie, Ont."

The Michigan Legislature has approved forming an authority to promote financing of either a bridge or tunnel to span the river and join Sault Ste. Marie, Mich., with its Canadian sister city. Construction would be financed through flotation of revenue bonds. This method was used to finance the Straits of Mackinac Bridge.

Engineer Herbert Goodkind, who helped design the Straits bridge, estimated the costs of a bridge spanning the river would range from \$13,000,000 to more than \$23,000,000.

Canadian representatives said they are at work formulating the necessary legislation at Ottawa, Canada's capital.

Balloons Will Carry 111,000 Bible Leaflets Behind Iron Curtain

NUERNBERG, Germany (AP)—Twenty thousand balloons carrying 111,000 Bible excerpts and religious tracts will be floated into Iron Curtain countries from the West German border starting Friday, the International Council of Christian Churches announced here today.

The operation will be run separately from a campaign by the American Crusade for Freedom ballooning millions of anti-Communist leaflets to Czechoslovakia.

A council spokesman, Protestant pastor Billy James Hargis, of Tulsa, Okla., said the tract-carrying balloons will be launched in the Hof area near the Bavarian-Czech border. In a similar operation last year 10,000 balloons carrying 60,000 tracts were sent behind the Iron Curtain.

Military Decorations Given Lone Nurse At Doomed Dien Bien Phu

PARIS (AP)—Nurse Genevieve de Galard Traubeau only woman in the besieged fortress of Dien Bien Phu, has been awarded her second military decoration in a week.

The French radio reported today Genevieve was awarded the Medaille Militaire (military medal) Wednesday night. Only a few days ago she was made a Knight of the Legion of Honor.

Genevieve was trapped in Dien Bien Phu in March when her helicopter could not leave the fortress.

Perkins Death Listed Suicide

The lifeless body of Nels J. Anderson, 59, plasterer and mason, was found on the floor in the bedroom of his farm home north of Perkins Wednesday afternoon, a highpowered deer rifle beneath him and two bullet wounds in his head.

The discovery was made about 2 p. m., by William (Bill) Rice, Perkins, woodworker, who had been with Anderson since Monday night, upon returning from where he had gone for supplies. Rice said he had gone to Perkins shortly before 12, noon.

Anderson is said to have threatened he would destroy himself according to State Police who investigated the death.

There was evidence that a first shot did not prove fatal and the action on the gun was worked and another shot fired. An empty cartridge case was found on the floor near the body.

The body was brought to the Skradski Funeral Home at Gladstone. Funeral services will be held Saturday afternoon at 2 at the Funeral Home. Burial will be in Gardens of Rest.

Anderson was born in Nunsin, Sweden, Dec. 15, 1894 and came to the United States in 1923, settling at Perkins 7 years later. Surviving are the widow, Ernesta, a stepdaughter, Olga Stanich and two sisters and three brothers in Sweden.

He was a member of the Croatian Fraternal Union 656.

Upper Peninsula Briefs

BESSEMER—The proposed Memory Lane State Park, designed by the State Highway Department as the focal point of the Memory Lane Memorial on E. US-2, is a reality. Work on the project was started this week.

IRONWOOD—Four more inches of snow fell on Ironwood during the last 24 hours, bringing the total during the three-day storm to over 21 inches. The highway department is still attempting to make headway in plowing snow off township roads, but little progress has been made.

NEWBERRY—Newberry State Hospital will hold open house on Hospital Day, Wednesday, May 12, from 2 to 4 o'clock in the afternoon, the week following Mental Health Week. Visitors will be taken on a tour through the hospital. A dance for the patients will take place at the Amusement Hall. It is possible that the Square Dance Class will put on a demonstration for the entertainment of the visitors.

MARQUETTE—Contracts aggregating approximately \$413,000 and covering the St. Luke's hospital construction project were awarded Tuesday by the hospital board of trustees at a special meeting. Four contracts were awarded and all but one went to the lowest bidder.

MARINETTE—Marinette city council has approved a proposal of the Wisconsin Public Service Corp. to remove 91 street light poles in the city to provide street lighting from a single pole and arm rather than the present two pole standards.

EAGER BEAVERS
GREENFIELD, Mass. (AP)—Beavers built their dam too damn high and the creek overflowed, washing away a sizeable portion of Shutesbury Road.

Obituary

MRS. ALEX JOHNSON

Funeral services for Mrs. Alex Johnson of Hyde will be held at 2 p. m. Friday at the Degnan Funeral Home with the Rev. Karl J. Hammar of Central Methodist Church officiating. Burial will be in Lakeview Cemetery. Friends may call at the funeral home beginning this afternoon.

MRS. CHARLES DUNCAN

Funeral services for Mrs. Charles Duncan were held at 9 a. m. today at St. Patrick's Church with the Rt. Rev. Msgr. Martin B. Melican offering the requiem high mass. Father Francis A. Hollenbach officiated at Holy Cross Cemetery.

Pallbearers were Ernest Derouin, Modest Hurlbise, John DeCharlet, Richard Cody, Paul Huff and Gerald Rouse.

Those at the services included Mr. and Mrs. Anthony Roschky and daughter Pat of Racine, Frank Dishaw of Jackson, Mr. and Mrs. Robert Lockby, Chicago, Pfc. Roger Benson of Lackland AFB, San Antonio, Tex., Andrew Siko of Bark River and Mrs. Agnes Roschky of Spalding.

MRS. ALFRED OHMAN

Funeral services for Mrs. Alfred Ohman, who died unexpectedly of a heart attack, were held today, May 6, at 2 p. m. at the Anderson Funeral Home chapel with Rev. Gustaf Lund of the Bethany Lutheran Church officiating. Burial was made in Lakeview Cemetery.

During the services, C. Arthur Anderson sang two solos, "I Have A Friend" and "Sunrise." He was accompanied by Mrs. F. M. Fernstrom.

Pallbearers were Erick Fredericksen, Lars Anderson, Charles Erickson, Alfred Upland, Ted Dart and Gilbert Henderson.

Out-of-town relatives and friends attending the services were Harold Ohman, Las Cruces, N. M.; Mr. and Mrs. Elmer Maki, Chicago; Walter Olson and daughter, Darlene, Iron River; Mrs. Albert Pearson, Green Bay; Mrs. Hilma Hellman and Mrs. Edith Erherd, Detroit; Mr. and Mrs. Torval Kalleron, and Mr. and Mrs. Oscar Oh-

man, Gladstone; Mr. and Mrs. Carl Ohman, Ferndale, Mich.; Miss Betty Ohman, Chicago, and Mrs. Theodore Ohman, Armada, Mich.

OLE HARSTAD

The Bark River community tribute to one of its prominent citizens, Ole Harstad, widely known business man and civic leader, at funeral services held Wednesday at 2:30 p. m. at the Salem Lutheran Church with Pastor Philip T. Lindblom officiating at the services. He was assisted by Rev. John Peterson, formerly pastor of the Bark River Salem Lutheran Church, of Mountain, Wis. Burial was made in Bark River Cemetery.

During the services, Miss Betty McNaughton sang "Going Home", and a duet, "Jesus Saviour Pilot Me", was sung by Mrs. Robert Bell and Miss McNaughton.

Active pallbearers were Hilding Olson, B. R. Erickson, Charles Olson, Chester Good, Arvid Quist, John Nazer, A. E. Johnson and Philip Norman.

Honorary pallbearers were John Beck and S. M. Johnson, Odd Fellows; Leslie Olson, John Lemmer, James Degnan and Nevin Reynolds, Rotary Club, and B. E. Douglas, John Lindner, R. J. Lewis, C. A. Bertelson, John Marx Jr., Lyle Wensel, Irving Shallman, George Tramp, Wilmer Berglund and Earl Theriault, Bark River Culvert Company.

Out-of-town friends and relatives attending the services were Mr. and Mrs. Ollie Nelson, Mr. and Mrs. Merwin Nelson, Mr. and Mrs. Glenn Nelson and Marilyn Nelson, all of Gladstone; Mr. and Mrs. George Harstad and Mr. and Mrs. Oscar F. Harstad, Superior, Wis.; Charles Rahr, Mrs. Eleanor Rahr, Mrs. Harriet Coombs and Elmer Harstad, Chicago, and Mrs. Lillian Olson and Audrey and Mrs. Hansine Johnson, Escanaba.

Among others attending were Mr. and Mrs. Claude Wymouth and daughter, Pamela, Memphis, Tenn.; Robert Adler, St. Paul, Minn.; Alden Lausby, John Lindner Sr., John Lindner Jr. and Joseph Lindner, Eau Claire, Wis.; Arthur Rodgers, Milwaukee; I. R. Shallman and Fred Lindner,

Better Weather Here Tomorrow

A letup in the cold and dismal weather of the past several days is indicated in present trends, but the change for the better will be gradual, says S. E. Decker of the Escanaba weather bureau.

The extremely frigid spell in areas west of here is changing for the better and this should have a bearing locally, Decker states.

Yesterday's high temperature in Escanaba was a chilly 35 that barely melted the snow that fell in squalls every few minutes of the day. During the night temperatures fell to a record low for this time of the year of 25. It rose to 36 about 9:30 and dropped two degrees an hour later. It is expected to reach 40 by late afternoon.

Record seasonal lows were also reported at Houghton which had 20 degrees, Green Bay 27, Marquette 25 and Sault Ste. Marie 24. The forecast for tomorrow is partly cloudy to cloudy, some change in temperature but not markedly so.

Jensen Seeks School Post

Roy A. Jensen of Lake Shore Road, former Delta County representative in the state legislature, today announced that he is a candidate for the position of trustee to the Escanaba Board of Education. Nominating petitions are being circulated in his behalf.

Born in Escanaba 43 years ago, Jensen graduated from Escanaba High School in 1929 and later attended Michigan State College and Ferris Institute.

While in the House of Representatives he served on the House educational committee in 1947-48.

He is married and has three daughters. One daughter is a Junior at Northern Michigan College of Education, Marquette; another is in her Freshman year at Michigan State College where she is majoring in physical education; and the third is a Junior in Escanaba Senior High School.

The term of Claude A. Tobin Jr. expires this spring on the Board of Education and he is not a candidate for reelection.

Jensen is the first to announce as a candidate for the post. Nominating petitions must be filed by May 15, and the School Board election is June 14.

Clothing School For 4-H Members Set For Saturday

A 4-H clothing school will be held at the court house here Saturday afternoon beginning at 2. Miss Ingrid Tervonen, home demonstration agent, will show the 4-H girls clothing construction methods, color combinations, patterns and other things to help them with their sewing.

Judging of dresses will be introduced.

Tax Allocation Board Has Taken Unhealthy Slap At School Funds

IN voting a tentative allocation of 6.5 mills for schools, a reduction of one mill, that county tax allocation board has taken an unhealthy swipe at school finances. In fairness to the schools, at least half of this reduction should be restored when the board meets again to make the final allocation.

No one can deny that the need for improvement of county bridges exists. The unfortunate situation is that the 15 mill tax limit simply does not provide sufficient funds to meet the needs of the county and the schools.

The one mill tax reduction for schools means that in Escanaba \$15,000 of revenue paid by Escanaba taxpayers is going to be

taken from the schools and given to the county road commission for repairing bridges in the townships. We are certain that the taxpayers of Escanaba do not approve of that. That was indicated conclusively enough in the recent election.

It is, we think, ironical that at a time when nearly everyone concedes that one of the major domestic problems in America today is to secure more money for schools to increase teacher salaries to maintain adequate teaching standards, a public tax allocation board would actually vote to reduce funds available to the schools.

The postwar years has resulted in a tremendous loss of teachers to more highly paid professions and to business. There is only one way that this trend can be halted and that is to increase teacher salaries so that high caliber young men and women will be attracted to the teaching profession.

The school budget for next year in Escanaba provides for an increase of \$200 in the local salary schedule. That means that beginning teachers will receive \$3200 per year. Many school districts have salary schedules considerably higher than ours. Can we expect to attract high quality teachers for our schools if we fail to keep pace? The answer is obvious enough.

Robbing Peter to pay Paul is hardly an adequate answer to the financial problem in Delta County and particularly since the educational system is destined to be the sufferer.

Words, Wit & Wisdom

By William Morris

"Your column on newspaper jargon reminded me of an incident when I was on a morning paper some years back," writes Norman Hoss, a former newspaperman, now a book editor. "After a couple of years of reporting I had fallen heir to the telegraph desk when the telegraph editor pitched a beautiful drunk."

The job of a telegraph editor is, as you know, to assemble, select and edit the copy that comes in over the teletype machines of the various wire services and to do this it is necessary to cut apart the separate stories from the continuous roll of paper on which the teletype prints. Thus the job was always referred to as 'stripping the wire.' This paper was peculiarly averse to titles among its employees lest they get the silly idea that a promotion would bring more money, so I was never told I was being made telegraph editor, merely that I would 'strip the wire from now on.' I passed the news on to my wife in that form.

"'Oho,' she replied uncertainly. 'Uh, you've had to do a lot for that paper—I mean like when you had to testify against that sheriff after all those political killings, and . . .'

"'All in a day's work,' I declared with the pride of youth. 'But that's all over. Now I don't even have to leave the office.'"

"Of course they'll provide the proper equipment for your new job," she blurted out with a worried look.

"Sure," I answered, staring at her curiously. "Nothing much to provide."

"Like rubber gloves?"

"Rubber gloves?" Then I roared. With all the solicitude of a young wife she was afraid I would be electrocuted 'stripping the wire.'

"My wife never again paid serious attention to my shop talk, figuring, no doubt, that no sense could be made of a job that was performed at such unwholesome hours."

Into The Past

10 YEARS AGO

Escanaba—Bert J. Lundblad, who has been associated with the Greyhound Bus line for the past 15 years, has resigned to take a position with the Shipstad & Johnson Ice folies.

Manistique—Alex Robertson, William L. Norton and Carlton Siddall were elected delegates to the district Lions convention at Calumet.

Gladstone—Dr. and Mrs. Herman Kasen left the first of the week for Seattle, Wash. where they will visit relatives.

20 YEARS AGO

Escanaba—Ellsworth Ranguette of Nahma and Walter Arntzen of Escanaba have entered planes in the Upper Peninsula Legion air classic which will be held at Menominee May 17.

Rapid River—The Stone Anderson saw mill here resumed operations giving employment to about 40 men.

The Doctor Says . . . There's No Simple Answer To Overactive Adrenal Glands

By EDWIN P. JORDAN, M. D. — Written for NEA Service

A correspondent who signs himself T. B. asks for a comment on overactive adrenal glands. This is a difficult question to answer.

The tiny glands known as the adrenals lie on the upper ends of each of the kidneys. Much will be heard of these glands in the next few years even though they weigh only a fraction of an ounce.

Each gland is made up of two principal parts, one called the medulla and the other the cortex. Both of these exert a vital influence on the body through the secretions which they manufacture and empty into the blood stream.

THE ADRENAL gland also has close connections with other hormone-producing glands throughout the body.

The adrenal medulla manufactures a substance which is commonly known as epinephrine or adrenalin. This hormone undoubtedly acts on the muscles which surround the blood vessels and thus has much to do with maintaining blood pressure. It has an effect on the use of starches in the body.

ADRENALIN is poured into the system whenever a person becomes excited or angry, and it has a great deal to do with the flushing or paleness which affects so many people when they get emotionally disturbed.

ed. It is probably adrenalin which gives that tremendous temporary energy which people experience under great emotion, excitement or fear.

The adrenal cortex secretions influence the kidney function and the proper use of many of the minerals or elements necessary to the smooth functioning of the human body.

The cortex portion of the gland produces a great number of hormones—how many is not yet known. At least one of these is useful in the treatment of Addison's disease, a condition which is caused by destruction of the adrenal gland by tuberculosis or some other condition and which results in low blood pressure, pigmentation of the skin and a number of other serious signs.

THIS PORTION of the gland is also the source of cortisone which has received so much study in recent years and is being found so useful in a number of disorders. There are many other fascinating things about these small glands. At the present time it is safe to say that the adrenal glands, their functions and the hormones which they secrete are being given more intensive study than any other part of the human body of equal size with the possible exception of the pituitary, another tiny hormone-producing gland.

Merry-Go-Round

By DREW PEARSON

WASHINGTON—Unless the Russians pull some unforeseen boner at Geneva, that conference seems slated to be the worst diplomatic defeat for the United States in 20 years.

What Geneva has done is show up the fact that the U. S. A. no longer holds the world's initiative, the balance of power, the trump cards, in the cold war. In Geneva, other diplomats did not come knocking at Dulles' door to find out what the United States wanted. They knocked at Molotov's instead.

For the first time, at Geneva, the United States went back to the days of Hoover and Roosevelt when we could not call the tunes at international conferences. Time after time in those days, we inspired important diplomatic gatherings, only to have them end in failure. This was not because either a Democratic or a Republican administration was in power, or because we didn't try hard. It was because Nazi-fascist leadership was too strong and because we were too divided at home. So we coasted . . . downhill . . . into war.

Today strong Communist leadership has replaced Nazi-fascist leadership—at a time when the United States has become woefully divided at home. A nation divided against itself cannot lead, and our European allies know it. That's why we have lost world initiative.

Herbert Hoover lost leadership abroad because of the isolationist split in his own Republican party. Roosevelt couldn't gain leadership—until after Pearl Harbor—because of increasing isolation, especially from some of the same crowd that has come back with such vigor to support McCarthy.

Today the Kremlin obviously reads the newspapers. So do our allies. They know that, regardless of what Mr. Dulles may say at Geneva or Paris or London, he can't carry out what he says without certain Republican senators; without the American people—now confused by McCarthy; and without the morale-shot American Army.

In other words, John Foster Dulles went to Geneva with almost no trump cards in his hand. And when he got there he proceeded to throw away the one card that Molotov thought was a trump.

WILL DULLES RESIGN?

All this was why Dulles left Geneva amid reports that he would resign.

While the reports were denied, it is no secret that the harassed and beleaguered secretary of state has felt terribly depressed.

Once, when heckled before the Senate Foreign Relations Committee by the leader of his own party, Knowland of California, Dulles seemed almost on the verge of tears.

"I can't seem to please you gentlemen," he said. "It looks as if there's just no way we can conduct foreign affairs to your liking."

And, as he departed for Geneva, Dulles told advisers that the Republican party's Senate leader, Mr. Knowland, seemed to be the biggest obstacle to Dulles' policies. The Senate leader should lead in supporting Republican policies, not try to block it, he complained.

DULLES' BONER

Because of these worries, plus the fact that he was extremely tired and had not enjoyed four weeks of golf, Dulles pulled a surprising boner at Geneva. He held a background press meeting in his Geneva hotel room the night before the conference opened at which he flatly reversed Vice President Nixon and his own statements about U. S. intervention in Indo-China. Categorically he stated that we had no intention of doing anything in Indo-China. Three weeks before, Nixon had told newspaper editors we might even send troops. But Dulles said we would do no such thing at all.

Though Dulles was not quoted directly, this made headlines around the world. But more important, Molotov knew within 30 minutes who the author of the nonintervention statement was.

Immediately, Molotov called Communist satellite diplomats together, told them to adopt a hard-fast policy of unconditional surrender in Indo-China. Previously, U. S. and Indian observers had picked up what seemed to be reliable reports that Molotov had planned a conciliatory policy. He had been afraid the United States really meant business and might enter Indo-China. Now he wasn't afraid. So Communist policy went into reverse overnight.

EISENHOWER VACCINATION

Dulles of course committed a tragic error when he held that press conference—even though he told the truth. He could have avoided meeting the press. Or he could have said nothing. He should have kept Molotov guessing.

But the basic fault was not actually Dulles'. Momentarily unwise and indiscreet, the real fault goes back to the fact that Dulles was hamstrung by elements of his own political party; also by his own allies; and by administration failure to do anything about Indo-China until it was almost too late.

Eisenhower inherited a difficult situation in Indo-China not of his making, but which did not become serious until a truce was signed in Korea. Then, as Moscow shifted Russian arms southward, Indo-China became explosive.

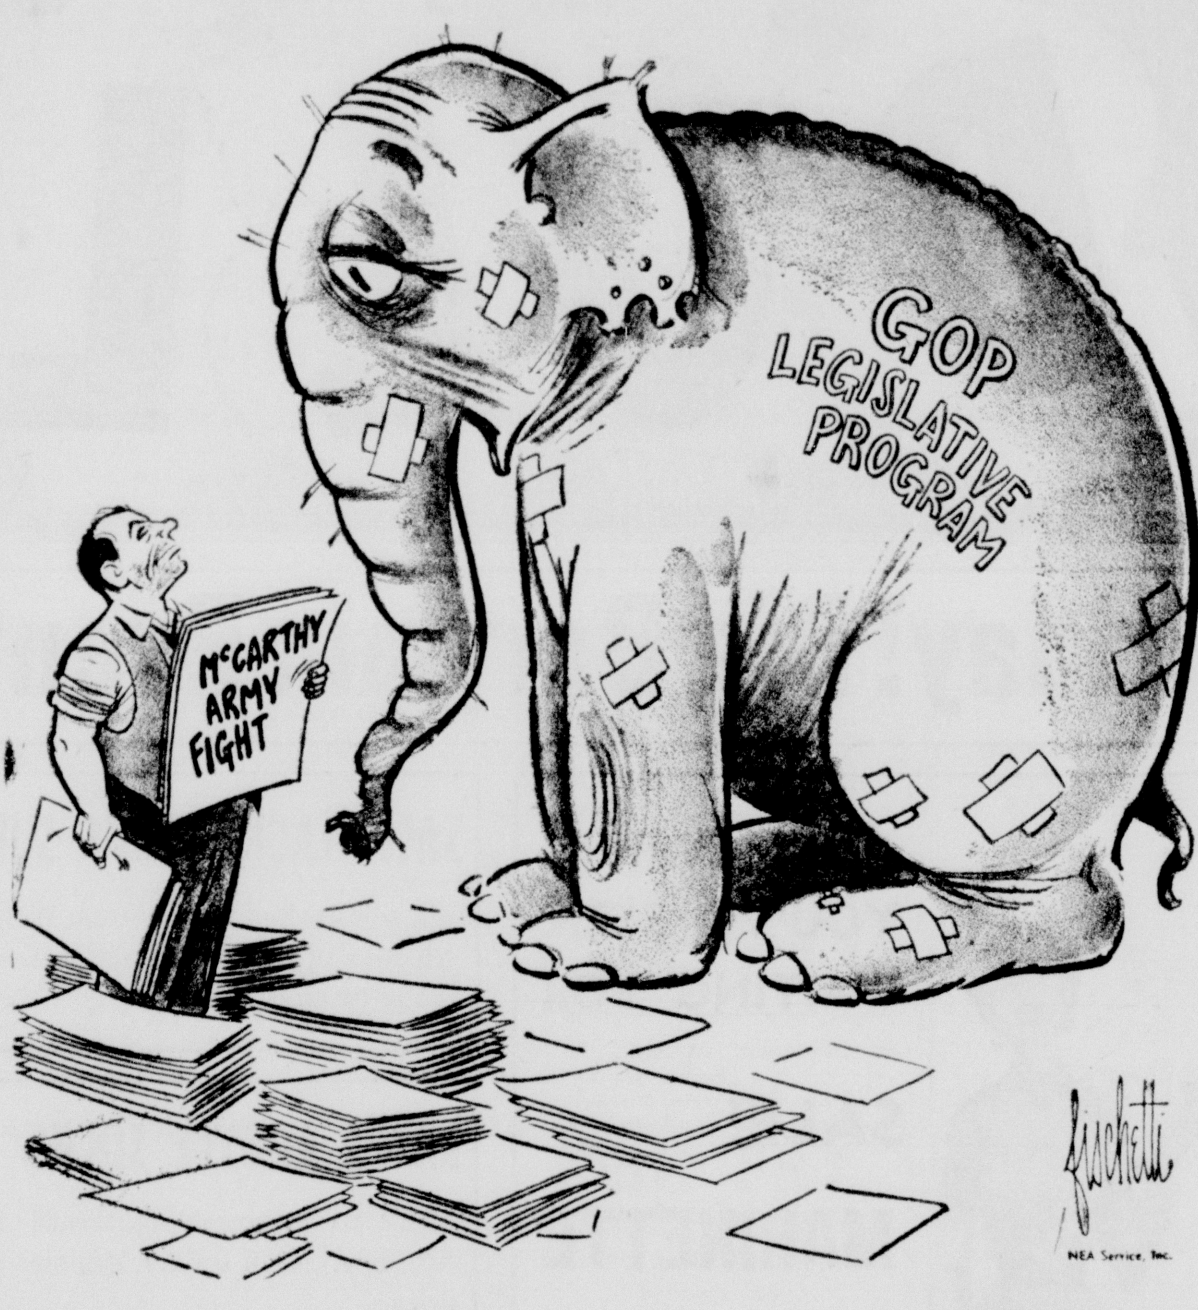

Meanwhile, the administration procrastinated. And it was not until two months ago that the National Security Council belatedly realized that something must be done about Indo-China or else all South-east Asia would go Communist. This was a warning given by various newsmen for more than a year.

Questions and Answers

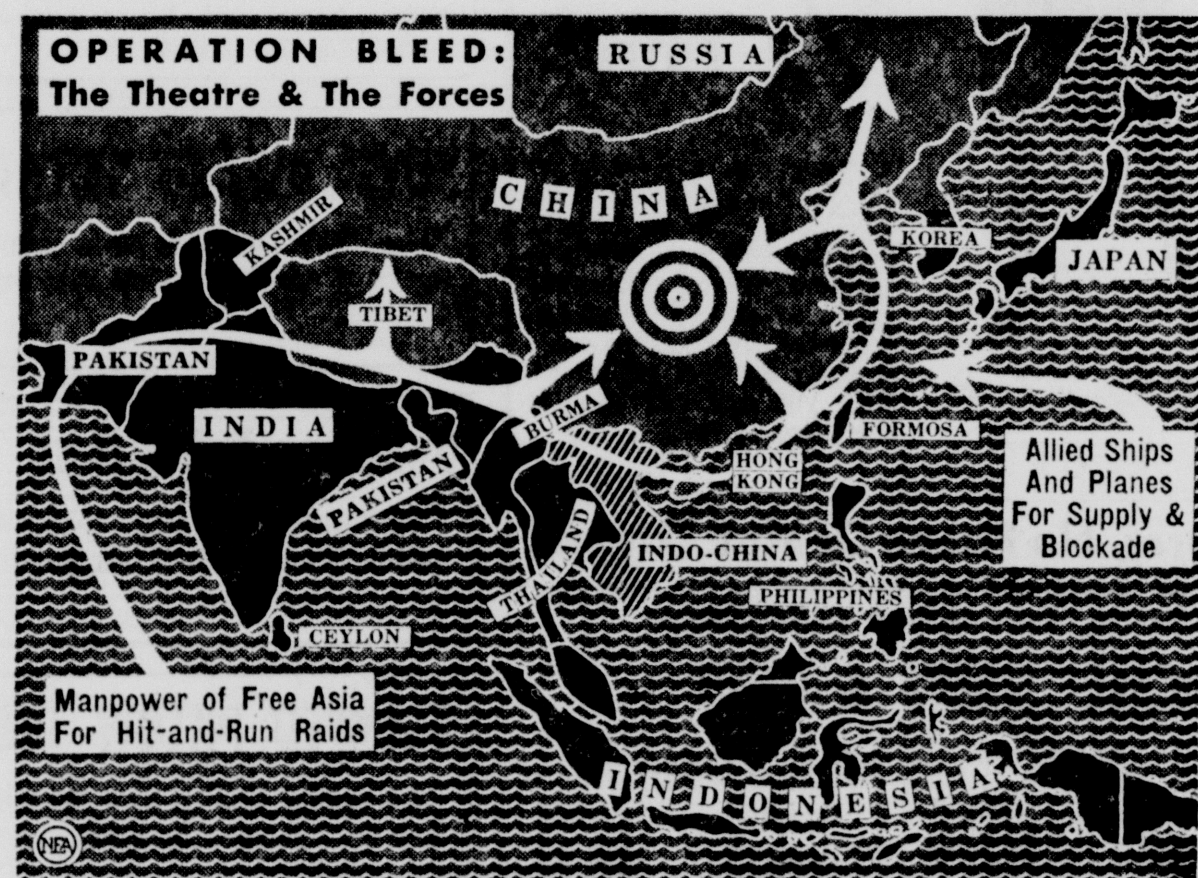

Q—Pravda, official organ of the Russian Communist Party, claimed March 18 that "not a single worker or peasant" serves in the U. S. Congress. Is that true?

A—A Congressional Quarterly tabulation of 83rd Congress Members' professions shows that 22 Senators and 53 Representatives have, in some way, engaged in farming and ranching activities. Some still maintain such interests. CQ also found that at least six Congressmen had been officials of labor unions.

"Mind if I Have Equal Breathing Time?"

Bleeding Of Communist China New Commando Plan For Future

By FRED SPARKS

WASHINGTON —(NEA)—"A Plan to Bleed Red China Until It Can No Longer Expand." That is the informal way U. S. military leaders concerned with the Orient refer to their Grand Scheme—an unpublished blueprint for the greatest commando operation in history.

It does not call for American boys fording malarial Indo-Chinese paddies or climbing Siberian cooled Korean hills. We will no longer contest the suburbs.

The target for tomorrow is Red China itself. We will fight them our way—using our air and sea-power and Free Asia's infantry. We must never again let them pit their weight or manpower against us in a narrow corridor like the Korean Peninsula.

Our generals and admirals in the Orient, convinced each month strengthens Peiping, are ready to start bleeding the giant. They believe a relatively minor effort can make Chinese imperialists stop dreaming of a white Cadillac—and stick to a rickshaw.

What I have written above is not based on any interview in a cocktail lounge. It is based on eye-witness observations and conversations with military leaders during recent months in Korea, Japan, Hong Kong, Indo-China, Malaya, Formosa, the Philippines, Pearl Harbor and Washington.

What I write below is an attempt to explain how those charged with our security in the Orient see it. It reveals no secrets. In today's Asia it is said: "The chopsticks have eyes." Peiping knows how many U. S. sailors land at Hong Kong as fast as the owner of the "Eternal Happiness" ballroom.

The Chinese Communists do not poo — poo our power or the power of an organized Free Asia. And they are not positive an Airborne Ivanovitch will come H-bombing to their rescue.

They will remember we hit them in Korea—with a feather. THE BACKGROUND: After the Korean Truce, Red China shifted pressure to Indo-China. If Indo-China quiets, pressure might shift to Burma and Malaya. Peiping will settle for nothing but all Asia.

THE EUROPEAN ALLIES: Despite political pronouncements to the contrary, our generals be-

lieve Britain and France will be with us in any real show-down. Surely not against us.

There is not one British or French commander in Asia who opposes "Operation Bleed" in theory. Her Majesty's garrisons are being quietly strengthened as the British soldier comes back to where the flying fishes play.

THE HISTORY: It deals brutally with those who go to invade China on foot. Hirohito's Army was like a man trying to cover a bull with a napkin.

More recent history nods to air and seapower. Too many have forgotten that even before the A-Bomb Japan was a broken thing, though her vast legions were hardly dented.

THE QUESTION: How to make the Chinese Communists stay home — without ramming their home with a tank? How to crush ambition without asking surrender?

THE ANSWER: "Operation Bleed."

Indo-China will be held despite Parisian politicians who want nothing to disturb their three-hour lunch. General Navarre is in full control and monsoon rains will give us the time to enlarge the loyal Indo-Chinese army that will be part of Free Asia's defense.

Allied fleets could blockade the Chinese coast. Although they're receiving small naval handouts from Malenkov, the Red Chinese Navy today is hardly more than a collection of armed fishing junks.

When the Nationalists fled to Formosa they took their wives, their tea-sets—and their warships. From Admiral Radford down to Seaman Second Class Jones, the U. S. Navy is convinced it can plug Chinese sea traffic. The foe would depend for heavy supplies entirely on the over-burdened railroad that brings the goods of the Soviet Sphere across the Siberian snows.

It's 19 days to Moscow via the Comrade Express. If need be, our carrier fly boys, who became expert railroad wreckers in Korea, could clobber the timetable.

While China is too big to conquer, it is also too big to defend. We could supply the ships and planes to land or drop commando bands on enough different places near the coast to plant panic.

The prospective raiders are to be Asiatics—not men from Europe or America whose color would create resistance on a brown and yellow continent that has seen too many Jim Crow signs reading "WHITES ONLY."

Our competent Marine General Lewis (Chesty) Puller is now in Formosa making sure these commandos know how to hit a beach without dunking their carbines.

We have no intention of allowing Chiang Kai-shek at this time to chance major invasion. We want Nationalist guerrillas to peek at the giant — not wrestle with him.

Recent small raids against Red China, closely watched by our troops, convinced them General Mao is a sucker for the kind of a war that hits 'em where they ain't.

The raiders will not only be Nationalist Chinese; the reservoir of dashing young men in the Orient on our side flows from Pakistan through the Philippines to Seoul.

South Korean marines are alerted to perform the same stabs in the dark against Chinese units in North Korea. Even China, where one water buffalo is worth 10 men, hasn't enough warriors to patrol every mile of water's edge.

Besides torturing the coast, it is possible to create havoc within. There are lonesome stretches of mainland mountains populated by anti-Government outlaws.

Secret airfields will be scratched out and pockets of resistance airt. We did it in modern France against efficient Germans and we can do it in primitive China against half-educated Orientals. As Dien Bien Phu proved, bold 'chutists can land in a vacant lot.

Occupied Tibet is another one of many soft spots to bleed Red China. The use of air-mailed commandos is ideal in the rugged mountains where the only transport is a yak-drawn wagon.

Those who know China like Tammany knows tenement voters insist that when hope is revived a fifth column will arise from the now silent people to seek revenge against the ruling dictatorship.

This is "Operation Bleed," a new kind of war against a new kind of enemy.

Good Evening . . .

By CLINT DUNATHAN

MAN'S BIGGEST FIGHT—Since the dawn of civilization man has been engaged in an unrelenting war against enemies who would destroy him unless they are controlled.

The war is against man's insect enemies—grasshoppers, moths, bedbugs, weevils, beetles, mosquitoes, ticks and many others.

Grasshoppers—called locusts in the Bible—have been a plague since man began to till the soil, reports the U. S. Department of Agriculture. They destroyed crops in the Nile valley thousands of years before Christ.

In America they have harassed farmers since Colonial days. They struck hard in the Mississippi valley in 1874 and 1875, just as they did in the Dakotas in 1932. The 'hoppers descend on crops, devouring the more succulent parts, then whirr on to the next green field.

BILLION DOLLAR LOSS—The insect pests costs man billions of dollars each year. They destroy our food, injure our health, or damage our homes and possessions.

Cutworms topple tomato plants, leafhoppers spread disease to beans, flies worry the flesh off valuable beef cattle, lower the milk production of dairy cows, and ants even filch sugar from the bowl in your house.

A million tons of stored wheat is destroyed each year in the United States by insect pests—enough wheat to make two billion loaves of bread—enough bread to provide everyone in the nation with bread for more than seven weeks.

The codling moth damages the apple crop, the fruit fly spots oranges and grapefruit, potato beetles once over-run the fields cutting production 50 per cent. There are few food crops that do not have their insect enemies—the enemies of man.

HEALTH AND COMFORT—Man has been swatting flies and mosquitoes, killing bedbugs, lice and ticks, for many centuries. The battle is one to preserve man's health and comfort.

Up until about 1900 there was little concerted action against the fly menace in this country. Then a "swat that fly" campaign was started, with commercial insecticides helping the fly swatter eradicate flies in later years.

Germs that caused much illness and many deaths from typhoid, cholera and dysentery were brought to food by flies. That is as true today as it was 50 years ago. Except for improved sanitation and fly control such diseases would break out all over again.

Mosquitoes once spread malaria and yellow fever widely in this country. By combating mosquitoes these diseases have been practically eradicated.

HOUSE AND HOME—It is no exaggeration to say that unless insect pests were controlled they would eat you out of house and home.

Moth larvae will eat anything that contains wool or animal fibers. The damage caused by clothes moths and beetles each year in the United States is estimated at \$350,000,000.

Termites, powder-post beetles and carpenter ants eat, nest and breed in the wood parts of homes and other buildings, causing additional millions of dollars damage.

THE BETTER SIDE—Roaches, bedbugs, hessian fly, pea weevil, boll weevil, grain moth, cabbage worm, gypsy moth—these and others are invaders of America from foreign countries.

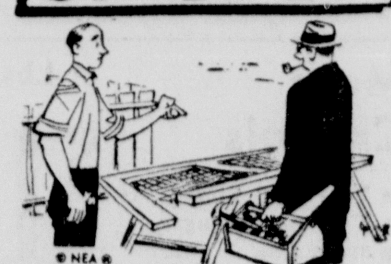

For this reason the federal government and the states have established quarantines and inspection stations to control the spread of certain insect pests, so far as possible.

On the credit side among insects are those beneficial to man. Pollinating insects—bees, wasps, butterflies and several other groups—increase the yield of many crops.

The honey bee is by far the most valuable of the insect pollinators; it is a pollinator of some 50 crops.

So swat that fly and mosquito, but let the bee go his busy way. He is your No. 1 friend among the public enemies of the insect world.

UNCLE EF

There should be plenty of work for free-lance handymen as a result of the do-it-yourself boom, says Arch Nearbrite. They'll be in demand to finish repairs on various things after the do-it-yourselfers have given up in disgust.

Schools Oppose Tax Diversion

Escanaba and Delta County school officials this morning declared that the diversion of one mill tax revenue from the schools to the county road fund, as tentatively provided by the county tax allocation board, is not justified on the basis of comparative needs.

A four year comparison of revenues as received by the public schools in the county and by the county road commission reveals that the increase in revenue for the schools was only 17.8% while the county road revenues increased 39.7% during the same period, school officials reported.

County schools revenue in the fiscal year 1950 totaled \$1,302,200.17 and in the fiscal year 1953 school revenue totaled \$1,535,189.15, or an increase of 17.8%. During the same period the county road commission revenue increased from \$393,794.73 to \$550,282.25, an increase of 39.7%.

A comparison of fiscal year balances likewise indicates that the road commission has less need for additional funds than do the schools, according to the school officials.

Fiscal year balances of the road commission, as indicated in the annual state audits, follow: 1952, \$60,753.39; 1951, \$49,028.88; 1950, \$23,105.40; and 1949, \$18,046.47.

Escanaba Public Schools showed deficits of the following sums during the past four years, John A. Lemmer, school superintendent, reported: 1953, \$23,483.67; 1952, \$21,908.63; 1951, \$29,945.27; 1950, \$6,528.13. Small balances were reported in 1949, 1948 and 1947.

A sharp increase in revenue to the county road commission was reported after the fiscal year of 1950 as a result of the increase in state gasoline taxes. Net state aid to the road commission jumped from \$51,961.21 in 1950 to \$247,458.06 in 1951. Net state aid increased to \$314,011.96 in 1952 and to \$344,695.43 in 1953.

The schools are seeking to recover a part if not all of the millage diversion tentatively authorized by the allocation board.

Trenary

Shirley Ann Hytinen, daughter of Mr. and Mrs. Neil Hytinen, who is employed in Milwaukee, is spending a two weeks' vacation at the home of her parents.

The Ladies' Aid will meet in the Methodist Church parlors this (Thursday) evening at 7:30. Mrs. Josie Viton will be hostess.

The Trenary Monday Nites will hold a Home Extension meeting Wednesday, May 12 at 7:30 p. m. at the Trenary school. Mrs. Hazel Crook, Manistique, will give a lesson on legal phases. Mrs. George Webber and Mrs. Leslie Birk will be the hostesses.

Alger County Home Extension groups will hold an Achievement Day at the Methodist Church parlors Wednesday, May 19 at 7 p. m. in Munising. A pot luck supper will be served. The Munising West End Club members will be hostesses.

A free plowing demonstration will be held at the Adiore Lusardi farm in Trenary Friday at 1 p. m., sponsored by Harris Service. Farmers and their friends are invited to attend.

Mrs. Albert Teenier has returned to Saginaw after spending several days with her sister and brother-in-law, Mr. and Mrs. George Harris.

MAYOR FOR DAY—Mayor Clarence Welch of Oakley, Mich., signs the oath of office as he takes over for the day as mayor of Gladstone yesterday in an exchange of public officials arranged as part of Michigan Week. Commissioner Gordon Kelley went to Oakley to represent Mayor Rex Stowe who was unable to make the trip. Mrs. Welch, who accompanied her husband here, and City Manager H. J. Henrikson witness the signing. Mayor and Mrs. Welch were taken on a tour of Gladstone and its industries and in the evening were guests of honor at a dinner attended by city officials and a number of prominent citizens. (Daily Press Photo)

Egyptian Military Regime Takes Over Leading Newspapers

CAIRO, Egypt (AP)—Egypt's military regime went into the newspaper business and put the Abul Fath brothers out.

Reckless Driving Charge Is Made

Edward Fillion, 66, of Wells, was injured at 5:25 p. m. Wednesday when his car went out of control for 22 feet on Washington Ave., clipped off a city light pole, and narrowly missed striking two young girls who were walking with their bicycles.

Fillion's condition was reported as "fair" today in St. Francis Hospital, where the extent of his injuries has not been fully appraised.

Sandra Gustafson, 8, daughter of Mr. and Mrs. Gus Gustafson of 532 N. 18th St., walking with a young friend, Sherry Seidl, had her bike damaged by the Fillion car. The girls dropped their bikes and ran when they saw the careening auto, which came to a stop on Sandra's bicycle.

The car went out of control in the 800 block on Washington Ave., traveled 222 feet, smashed into three curbs, broke off a wheel of the car and the city light pole, police reported. A reckless driving ticket was issued against Fillion, who was taken to the hospital by ambulance.

Contract Awarded

MARQUETTE (AP)—Prokisch Construction Co., of Iron River, will handle general contracting for a \$413,000 three-story addition to St. Luke's Hospital at Marquette. Scheduled for completion next summer, the addition will give the hospital 175 beds.

Although chiggers in the United States are just an uncomfortable pest, their relatives in the Far East spread scrub typhus.

Continue City Budget Review

Escanaba City Council last night continued its review of the 1954-'55 municipal operations and utility budget totaling \$1,666,731 proposed by City Manager A. V. Aronson and will resume budget discussion tonight following the regular Council session if time permits.

Further consideration of the proposed budget is tentatively scheduled for Saturday. All budget review sessions of the Council are open to the public.

At last night's meeting the Council approved budgets of the following departments without change from those proposed by the manager:

Loans and contracts, airport, welfare, civil defense, library, engineering, purchasing and stock, and revenues.

The health budget was approved except for an item of \$500 for the purchase of fluorides with which to fluoridate the municipal water supply. A decision on whether Escanaba will fluoridate its water to prevent tooth decay among children is scheduled for tonight's meeting of the City Council.

On April 3 the citizens of Escanaba in advisory election approved fluoridation. The advisory vote was asked by the Council last fall when the question came before the Council for decision.

The city affairs budget was approved after an item of \$175 to defray the cost of civil service examinations was deleted.

Previously the Council approved the electrical and fire department budgets, and the police department budget with the reservation that it could be taken up again for consideration.

Arne B. Johnson New Superintendent At Hermansville

HERMANSVILLE—Arne B. Johnson, an instructor in the Norway Public Schools for 16 years, has been appointed superintendent of schools at Hermansville, it was announced today. He will succeed Jack Kleimola who has resigned.

Mr. Johnson is a graduate of Marquette High Schools and Northern Michigan College of Education, where he received his B.A. degree in 1936. He received his Master's Degree at the University of Michigan, majoring in administration and supervision of secondary schools.

From 1936 to 1938 he taught social studies at Dollar Bay and taught in the Junior and Senior High Schools in Norway since 1938. He also was assistant football and basketball coach.

Mr. Johnson was on leave of absence from 1942 to 1946 during which time he served in the armed forces. He is unmarried.

LITTLE LIZ

The only thing a sweater does for some girls is to make them itch.

Briefly Told

Immunization Clinic—The Health Department will conduct an immunization clinic Friday afternoon from 1 to 3 at the Webster Annex.

Meter Found—A parking meter that disappeared last weekend from the 100 block, S. 12th St., was found discarded in rubbish in an alley on the south side of the 1200 block, Ludington St., by a boy whose mother reported the discovery to police. The meter and its contents were intact, police said.

Auto Dealers Meeting—Automobile dealers of Delta County will meet at 8 tonight in the Sherman Hotel with Dan Van Wagner, Iron River, chief investigator, and Ervin A. Hassall, Menominee, investigator, for the Secretary of State's office. New laws relating to auto dealers will be discussed.

Madalinski Infant Dies At Hospital

Thomas Joseph Madalinski, six weeks old son of Mr. and Mrs. Stanley Madalinski of LaBranche, passed away at noon yesterday, May 5, at St. Francis Hospital where he had been since his birth. Besides his parents, he is survived by the maternal grandfather, Fred DeGrand of Cornell, and the paternal grandmother, Mrs. Cecelia Madalinski.

Funeral services were held this afternoon at three o'clock at St. Michael's Church, Perronville.

'Bernardine' Is Clever Comedy

"Bernardine is a dream, beautiful, sophisticated, older (maybe even 23), a resident of Sneaky Falls, Idaho, generous and compliant. She drives a '53 Cadillac and has a vocabulary consisting of just one word: 'Yes!'"

The play "Bernardine," a comedy in two acts and 10 scenes by Mary Chase, also the author of "Harvey," will be presented Friday and Saturday, May 7 and 8, at 8 p. m. at the William Oliver Auditorium by the Escanaba High School dramatics and Thespian clubs, under the direction of John Romstad, drama coach.

It revolves around "the gang," a group of local high school boys, whose chief occupation is the pursuit of this dream girl. They are

with Rev. Donrad Suda officiating. Burial was made in St. Michael's Cemetery.

Boyle Funeral Home, Bark River, was in charge of the arrangements.

Seaway To Stir Up Improvements At Great Lakes Ports

By SAM DAWSON
TOLEDO, Ohio (P)—The St. Lawrence Seaway—when and if it shoots all the legal and political rapids and becomes an ocean freighter carrying reality — is counted upon today to stir a wave of activity along mid-America's waterfronts.

It would also be a swizzletick stirring up many parts of the economy elsewhere.

Already under way along the lakes are plans for port authorities with taxing powers, for extensive building of docks, for harbor dredging, and for re-routing of incoming and outgoing goods and farm products. Looming is a

Catherine Bonifas School Stresses Boost Michigan Week

GARDEN—Although the president of the village, Joseph Her- mes, is unable to change places with the mayor of Marcellus as had been planned the students at Catherine Bonifas School are spending a considerable amount of their time this week learning more about their native state of Michigan.

Students in the junior high grades have arranged an interesting and informative bulletin board display of the Copper Country and specimens of raw copper, agates and Lake Superior green stones in preparation for a trip they plan to take to that area later this month.

Another class is calling on the older residents of Garden in order to learn something of the history of the village itself and is compiling reports on the information they obtain. Others are making a survey of the industry and natural resources of the state and particularly of the Garden Peninsula.

Briefs

Mass at St. John's Church will be held at 8 p. m. Friday, May 7, the First Friday of the month.

Dorian DesRochers who is employed at White Pine visited at the home of his parents.

Mr. and Mrs. Ray Ranguette of Manistique visited her parents, Mr. and Mrs. Ernest Tatrow over the weekend.

Vans Harbor cabins again were filled with perch fishermen this past weekend, and the numerous fishing boats in the harbor were a pleasant sight to behold. Driving rains Sunday afternoon put an early end to the fishermen's pleasure, however, and although some braved the storm for a while a steady stream of cars and trailers carrying boats soon was making its way out of Vans Harbor and toward US-2.

Mrs. George Boudreau is a medical patient at Schoolcraft Memorial Hospital in Manistique.

St. Anne's Altar Society will sponsor a social at the Garden Community Building Thursday, May 6, at 8 p. m.

scramble among the states and cities to lure new industries.

Eliminate Bottleneck
Opponents of the plan to turn Great Lakes cities into freshwater seaports have contended the seaway would injure many existing transportation systems, giving foreign businessmen a chance to land their goods more cheaply in the Midwest and undercut American manufacturers.

The seaway plan calls for a ship canal to eliminate the final bottleneck—a 115-mile stretch of the St. Lawrence between Ogdensburg, N. Y. and Montreal, Canada. It would take about five years to do and would then furnish a 27-foot at the shallowest waterway 2,347 miles long from Duluth, Minn., at the farthest tip of Lake Superior, to the Atlantic Ocean. Its advocates say the majority of the world's freighters could use it.

Rivalry along the way will be keen.

Milwaukee Takes Lead
Toledo says that if granted the port authority law it's asking of the Ohio State Legislature, it plans to become the foremost western terminal. It contends it is the first lake port free of ice in the spring and the last to be closed in the fall.

Detroit is debating deepening its channel and building dock facilities for the larger freighters the seaway would admit.

Cleveland reports its export business last year came to 500 million dollars. Its businessmen talk confidently of doubling that—some even say trebling it—within a few years after the seaway is completed.

Milwaukee is credited by many of its lake port rivals with having been foresighted in developing its waterfront for the seaway's expected coming.

REBELS KILL PRIESTS
MANILA (P)—Msgr. Silvestre M. Sancho, father provincial of a Dominican mission, has brought back word from Indochina that four priests were killed by Communist Vietnam rebels in the past four months.

Denmark To Bar Sex Operations

COPENHAGEN, Denmark. (AP)—The Justice Ministry has news for John Cabell Breckinridge: Denmark intends to bar any more Americans coming to this country for sex operations.

A Justice Ministry spokesman announced this stand Wednesday. "We don't know just yet what we can do," he added, "but we're looking into it. The government certainly does not want Denmark to get the reputation of being a place where one and all can come to have their sex operations performed."

His statement was prompted by a news dispatch from San Francisco Tuesday reporting a deci-

sion of Breckinridge, a 50-year-old San Francisco millionaire, to visit Denmark in August "to be transformed into Catherine Cabell." Breckinridge said he had made arrangements with a British surgeon to change him from a man to a woman. He declined to name the surgeon.

Denmark has been the scene of two widely publicized cases of reported sex change. Ex-GI George Jorgensen Jr., of New York City, became Christine Jorgensen in 1952 after two years of treatment and operations. Charles McLeod, 28, a former New Orleans bookkeeper, returned to the United States last month as Charlotte McLeod after a similar treatment.

A doctor who participated in cases said Danish doctors are becoming wary of "the kind of publicity coming out of the two previous cases."

The people of Argentina, New Zealand, Australia, Uruguay, Denmark, and Canada all eat more beef per capita than do the people of the United States.

New Internal Security Division Planned In Justice Department

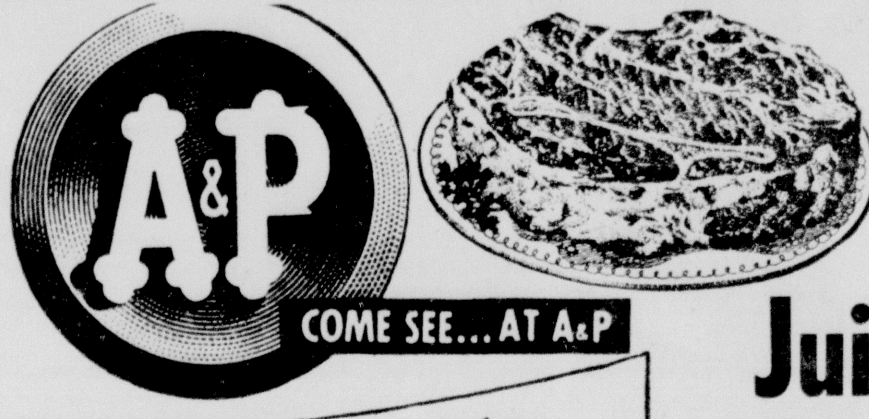

NEW YORK (AP)—The New York Times said that Attorney General Brownell will announce soon the establishment of a Division of Internal Security in the Department of Justice.

The new unit, the Times said, "will handle cases involving espionage, treason, sabotage, federal employee loyalty or security risks and subversive activities—in fact, all court proceedings dealing with matters affecting the internal security of the United States and its possessions."

It was understood that the new division would supplement the work of the FBI. Internal security investigations now constitute a substantial part of the workload of the FBI, which will continue to operate as in the past.

More people get more news from newspapers than from all other sources combined.

Michigan Prisons Again Jammed

LANSING (AP)—Michigan's prison population this week was back at the dangerously high level it was just before the 1952 prison riots, Corrections Director Gus Harrison said Wednesday.

The total count, which has been climbing steadily for a year, stood at 9,398 at the end of last week. This was exactly four prisoners short of the 9,402 record high reached just before the disastrous riot in Southern Michigan Prison in April, 1952.

In the three days since the count was taken, Harrison said, there is no doubt that it has topped the record. The exact count will be taken Friday.

Harrison said that some measures are being taken to relieve the crush, but added "if this continues a few more months, I don't know what we are going to do."

The Legislature has authorized the state of a medium security prison near Ionia to house 600 first offenders. There is no hope, Harrison said, that this facility will be ready to receive prisoners for at least three years.

Meanwhile, Harrison said, the first offender problem continues to be acute. Ionia State Reformatory, which gets the bulk of the young prisoners, is jammed to the gates with a population of 1,350.

"There are 100 first offenders at Southern Michigan Prison right now," Harrison said. "who should be at Ionia or Cassidy Lake training school, but we just haven't got the room for them."

Bridal Shower

Mrs. Louis Butryn, Mrs. Stanley Meyers and Mrs. Martin Kwarcianny were hostesses at a bridal shower Monday evening at Potvin's Fireside Room for Miss Mary Meyers who will be the bride of Larry McAbe.

Prizes in 500 were awarded to Mrs. Tom LaFleur, Mrs. Dan Levesque and Mrs. Tom Morin and Mrs. Levesque also received the traveling box. Winners in buncos were Mrs. Robert Porath, Mrs. Joe Liss and Mrs. Herman Palmgren. The traveling box in this game went to Mrs. Liss. Guest award of the evening was presented Mrs. Walter Schermer.

The bride-elect was presented with numerous gifts.

A party lunch was served by the hostesses.

Out-of-town guests included the Mesdames Stanley Kwarcianny, Tom Morin, Marvin Palmgren, Ed LeBeau, Clarence Demarse, Dan Levesque, Louis Kleinman, Louis Grzyb, John Grzyb, Mike Scrobias, Stanley Peterson, Herman Palmgren, Frank Kozla, John Kobas, Louis Wangles, Ed Kwarcianny, Louis Westlake, Edward Motto, Harold Bruce and Hector Larson of Bark River, Zigmund Luchay, Frank Janik, Jerry Charbonneau and Matt Luchay of Perronville and Stanley Butryn of Escanaba.

Birthday Party

Little Nancy Mae Schermer, daughter of Mr. and Mrs. Walter Schermer celebrated her 6th birthday anniversary at a party at her home Sunday, May 2. The children played games and were served a party lunch at a gaily decorated table centered with a cake, white yellow and white candles. Prizes were won by Rosemary and Janet Lavigne, Joan Savage and Juliann Butryn. Nancy Mae received many guests.

At the party were Mrs. Fred Lavigne and Janet, Jimmie, Rosemary, Beverly and Patsy, Juliann Butryn, Jane Seymour, Carol Kozlowski, Dianne Savage and JoAnn Savage of Schaffer, Marilyn Bonamer, Paul and Earl Kintziger, Mr. and Mrs. Eugene Auger, Mrs. John Kintziger and Mrs. Al Bonamer of Escanaba.

In 1940, Korea was the world's fourth largest rice producer.

Happy Is The Day When Backache Goes Away

Nagging backache, loss of pep and energy, headaches and dizziness may be due to slow-down of kidney function. Doctors say good kidney function is very important to good health. When some everyday condition, such as stress and strain, causes this important function to slow down, many folks suffer nagging backache—feel miserable. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages. Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. It's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

Rock River Honor Roll Announced

CHATHAM — The Rock River Township High School honor roll for the fifth marking period, issued by William Acker, superintendent, is as follows:

Seniors
LaVerne Cherwinski, Nina Hallstrom, Jean Johnson, Beryl Moore, Mary Zbaenik.

Juniors
Carolyn Keskimaki, Allen Ruuska, Janet Smith, Joan Varti.

Sophomores
Joyce Johnson (all A's), Edwin Heribacka (all A's), Ruth Anderson, Rolland Kauppila, Gertrude Maki, Elnora Tuimala, Barbara Varti.

Freshman
Eleanor Keskimaki, Varna Maki, Carol Multila.

8th Grade
Janet Anderson, Phyllis Haavisto, Marie Juntunen, John Kallio, Edwin Korpi, Maria Multila, Gloria Ritola, Edith Salmi, John Seppi, Gordon Ulvi, Ruth Varti, Sharon Wanska, Jack Ylitalo.

Leslie J. Latvala is school principal.

Junior-Senior Banquet

The junior class of Rock River High School, Eben, will sponsor the annual banquet for members of the graduating class at the high school Thursday evening, May 6th, at 7:30 p. m. The program will be as follows:

Grace—Victoria Hill.
Welcome—Allan Ruuska.
Response—Patricia Revord.
Entertainment—Junior girls.
Guest Speaker—William MacNeil, Superintendent of Schools, Munising.

Toastmaster—Walter Hakanen.

Members of the class also selected a king and queen to preside at the banquet. Shirley Wiitanen was elected queen and Donald Smith, king.

Besides members of the junior and senior classes, faculty members and members of the Board of Education will be guests.

Church Services

Church services will be conducted at the National Lutheran Church of Chatham Sunday, May

9, at 2 p. m. by the Rev. A. L. Maki of Marquette.

Briefs

Mrs. Leo Lammi and Mrs. George Kallio visited in Iron Mountain Sunday.

Mrs. Glen Goin Jr. and children of Trenary visited at the home of Mr. and Mrs. Toivo Kallio Sunday.

Eino Sturvist, Mrs. Clifford Johnson, and Mrs. Toivo Kallio attended a shower at the Trenary Town Hall in honor of Mrs. Floyd Kallio.

Mrs. Larry Barber substituted in the kindergarten of the Chatham school for Mrs. Leo Lammi Tuesday.

Rev. Father Brewer of Trenary visited at the C. E. Little home Tuesday afternoon.

Mrs. Helmi Ross is visiting her son-in-law and daughter, Mr. and Mrs. Stanley Ouellette in Flint.

Sulo Hakkinen is spending a few weeks at the home of his sisters, Mrs. William Warmesley and Mrs. Tauno Harju, in Detroit.

Mrs. Isaac Saari is visiting at the home of Mr. and Mrs. Raymond Erickson in Detroit.

Mrs. Ida Thorsen, who spent

two weeks visiting relatives in Chicago and San Benito, Tex., returned to her home here last weekend. Her mother, Mrs. Evar Samuelson, who spent the winter in San Benito, returned home with her.

Mrs. Vern Richmond, who was hospitalized two days, is recuperating at her home here.

Mrs. Carl Christofferson has returned to her home from St. Mary's Hospital, Marquette.

Six Red Guerrillas Prevent Resettling Of Korean Island

By BOB PROSSER

CHEJU ISLAND, Korea (AP)—A half-dozen die-hard Communist guerrillas are preventing resettlement of this isolated island just off the southern tip of the Korean peninsula.

The guerrillas — two women and four men — are known by name in the settlements which they terrorize.

Others who once roamed the rugged volcanic hills with them have returned to their fields as peaceful farmers or artisans. They have been forgiven and accepted into the communities.

But because of the bitter hold-outs, villagers must withdraw each night behind the lava stone walls ringing their towns. They lock and bar the gates and mount guards throughout the night. Raids continue at irregular intervals.

At the end of the war in the Pacific, Japan planned a last stand from this rugged mountain island.

She garrisoned it with more than 200,000 troops and covered the lower slopes of 6000-foot Mt. Halla. The fortifications and hideouts remain.

Surplus Butter Still Problem

By OVID A. MARTIN
WASHINGTON (AP) — Secretary of Agriculture Benson has appealed for help from Congress in developing plans for disposing of a government-owned surplus of 360 million pounds of butter.

The secretary told the House Agriculture Committee the department has been unable to hit on a plan that did not have many drawbacks.

He estimated that efforts to halt the accumulation of dairy products under a price support program and to dispose of present surpluses will in all probability involve a cost, over the next 12 months, of half a billion dollars or more.

Benson said the department had gone into several possibilities of pushing the surplus butter into consumer channels at reduced prices.

Included was a one-cent-a-pound sales plan under which the consumer would get one pound of surplus butter at one cent for every pound of commercial butter bought at the regular price.

Another was a "blended" price plan under which the government would sell its butter at low prices to distributors and allow them to sell it, along with commercial butter at an average price of the two.

Benson said the one-cent sales plan—which would require use of coupons—had been put aside because it would be "awkward" to administer and would require much time to put into operation.

He said the blended price plan would not do the job because it would not move all the surplus into consumption. He estimated that under this plan government stocks at the end of the current marketing year would be about 75 million pounds larger than at present.

Lawmakers Win Primary Races

By THE ASSOCIATED PRESS
Members of Congress appear to continue leading charmed political lives at the polls this year as the count of Tuesday's primaries in five states gave leads to all incumbents seeking renomination.

A hard-fought race holding nationwide attention saw Sen. John J. Sparkman (D-Ala.) sweep to an apparent victory in his bid for renomination. A primary triumph would be tantamount to election in the heavily Democratic state. And in an important Ohio contest, Rep. George H. Bender won the Republican Senate nomination.

The Alabama campaign featured a charge by Sparkman's closest opponent—Rep. Laurie C. Battle—that he was trying to carry "water on both shoulders" on the race question.

Sparkman, vice presidential candidate on the 1952 Democratic national ticket, denied he ever had varied on the issue. He faced in the four-man race one of his strongest challenges since he entered the Senate eight years ago.

Other primaries Tuesday were in Indiana, Florida and New Mexico.

Worst Mental Cases Can Be Drawn Back By Bridge Of Words

By ALTON L. BLAKESLEE
AP Science Reporter
ST. LOUIS (AP) — The sickest of all the mentally sick — schizophrenics—can be drawn back to reality over a bridge of words and action, a prominent psychiatrist reported.

Dr. Frieda Fromm-Reichmann of Rockville, Md., told of new successes by psychiatric treatment that give more hope for saving hundreds of victims of this disease, once regarded as hopeless. Insulin and electric shock treatments sometimes work.

Schizophrenia, often called split personality, means escaping into an unreal world of the person's own making.

The same approach which helps other mental illnesses can be used to reach the schizophrenic, help him understand why he is sick, help him get well, Dr. Fromm-Reichmann told the American Psychiatric Assn.

Queen Loses Weight

LONDON (AP) — The tabloid Daily Sketch gave Queen Elizabeth II a new title—"Her Slender Majesty." The paper urged the nation to see she gets a rest when her world tour ends next week.

Across its front page the mass circulation paper spread a picture from Malta showing a much slimmer Queen than Britons had seen before her tour began last Nov. 23.

BEDROOMS FILLED

DETROIT (AP) — Triplet sons—their first children—were born to Mr. and Mrs. Joseph Carlini. Said the dazed father:

"I just built a three-bedroom home, hoping some day to fill the bedrooms. I guess we just did."

Milk Dispensing Machines Legal

LANSING (P)—Michigan joined 40 other states in legalizing the sale of homogenized milk from coin dispensing machines.

Gov. Williams signed a legislative act permitting the bulk sale. It takes effect in 60 days.

Some dairy and farm groups supported the proposal as leading to a greater consumption of milk, with benefit to the farmer.

Williams also signed two bills aimed at truck safety. One requires commercial vehicles and trailers to have splash guards on the rear wheels and the other requires truck which are part of commercial fleets to have built-in windshield defrosters after Oct. 1, 1954.

The governor also approved the \$44,782,683 public welfare appropriation bill.

Other bills signed:

Create a pension system for probate judges financed by a fee imposed on all cases in probate courts.

Extend to Dec. 31, 1954, the time to apply for a state World War II veterans' bonus.

Pay benefits to widows of firemen and policemen under the municipal pension system who have had 20 to 25 years of service.

Require candidates for township office to file nominating petitions with the township clerk by 4 p.m. on the seventh Tuesday before the primary election, instead of the 20th day before; also provide the two persons elected trustee by the largest vote shall hold office for four years and the two with the smallest vote for two years.

Danforth

Silver Wedding

A silver wedding anniversary party was given by Mr. and Mrs. Llewellyn Larson at their home Saturday evening honoring Mr. and Mrs. George Vanderlinden on their 25th wedding anniversary. Mrs. Larson is the daughter of the honored couple.

Lunch was served later in the evening from a table centered with a large heart shaped cake decorated in silver. After the lunch, the honored couple opened their many gifts.

Guests attending were Mr. and Mrs. Gilbert Vanderlinden, Mr. and Mrs. Vernon Wick, Mrs. Georgianna Miron, Miss Ellen Miron, Mr. and Mrs. Joe Jolly, Mr. and Mrs. Patrick Miron, Mr. and Mrs. Eugene Miron, Miss Donna Vanderlinden and Mrs. George Larson and son, George. Their granddaughter, Carol, also attended. Mrs. Darrell Bombarger, a daughter, formerly Joyce Vanderlinden, of Onaka, Minn., was unable to attend.

Stork Shower

Mrs. Henry Makosky was the honored guest at a pink and blue shower held recently at the home of Mrs. Arthur Hammerberg. Games were played, and awards were presented to those who held high honors. Lunch was served by Mrs. Hammerberg, Mrs. Charles Makosky and Mrs. Lawrence Makosky, after which the honored guest opened her many gifts.

Singspiration

The Singspiration at the Menominee Church Sunday evening was well attended. Group singing was led by Paul Weaver of Gulliver, and he also sang a solo. A duet was sung by Mr. Weaver and Mrs. Paul Horst. Another Singspiration will be held Sunday, May 16, at 7:30 p. m.

Birthday Party

Mrs. Arthur Monson was the guest of honor at a birthday party recently at her home. Cards were played with Mrs. Charles Cota holding high honors in Canasta and Mrs. Knute Swanson, low. Mrs. Harry Blixt held high honors in 500 while Mrs. George Larson held the low honors. Mrs. Swanson received the guest award.

Other guests attending were Mrs. Felix Johnson and Mrs. Lillie Lindstrom. Lunch was served after which Mrs. Monson opened her gifts.

Child Study

A regular meeting of the Danforth Child Study group will be held Tuesday, May 4, at 8 p. m. at the home of Mrs. Robert Jensen. Two recordings, "Dealing With Destructiveness" and "Moral Training of Children" will be given by Miss Anita Kotila, R. N., of the Delta-Menominee Health Department. Lunch will be served, and all interested mothers in the community are invited to attend.

Briefs

Mrs. Norman Anderson has returned to her home after representing the Wells Township Parent Teacher Association at a convention in Saginaw, Mich.

Mrs. Wallace Irving, who was a medical patient at St. Francis Hospital, has been dismissed.

Old Too Soon— Smart Too Late

NEW YORK (P)—Raymond Duncan, long-haired, toga-wearing American philosopher, says people would be smarter if they lived longer. Arriving on one of his periodic visits from Paris, he commented:

"When you get to be 80 like me, you commence to see the light. We die too young. America will be really great when people live to 150."

Varied Program At Wells Central PTA Meeting

WELLS—A varied and interesting program marked the meeting of Wells Central Parent Teacher Association held Tuesday evening at the Wells School.

Mrs. Norman Anderson, Soo Hill, gave a report on the convention in Saginaw and Mrs. C. L. Riegel, chairman of the Lay Health Committee, spoke on the activities and duties of the committee and its assistants. Members attending with her included the Mesdames Lawrence Jacob, Lucille Weissert, Leonard Winling Sr., Louis Schaut, Norman Anderson, Dale Polkey, William Casey, Mike Farrell and William C. Harrison.

Installation of officers was conducted by Mrs. Riegel. They are: Arthur Weberg, president, Mrs. Dale Polkey, 1st vice president, Mrs. Robert Zelmer, 2nd vice president, Mrs. James Hughes, secretary and Mrs. Bert Ray, treasurer.

Past president pins and corsages were presented Louis Dufour, Mrs. Lawrence Klug, Mrs. Clarence Schwartz, Mrs. John Collins, Mrs. William Casey, Mrs. Jerome DeLoria and Russell Cheverette in a brief, impressive ceremony conducted by Mrs. Riegel. Five tall tapers of yellow and gold were lighted for each officer. A short prayer closed the ceremony. A corsage also was presented Miss Amy Johnson, who has the greatest number of years of service in the Wells school system.

Lunch was served by Clarence Schwartz, Lawrence Klug, Leonard Bengston, Arthur Weberg and Dale Polkey.

Mrs. Christie's room received the attendance award.

At a short business meeting plans were made for a pot luck supper and card social June 1. Mrs. Jack Carlson was named chairman and she will be assisted by Mrs. Lawrence Klug, Mrs. Arthur Weberg and Mrs. Dale Polkey. Mrs. John Collins and Mrs. James Hughes are members of the entertainment committee.

Church Events

Bethel Sunday School
Sunday School classes at Bethel Lutheran Church in Stonington will begin Sunday, May 9. Classes will be held at 10 a. m.

Bark River Aid
The Ladies' Aid Society of Salem Lutheran Church in Bark River will meet this evening at 8:15 at the church. Hostesses are Mrs. Harold McNaughton and Mrs. Philip Lindblom.

Hamburgers, served with toasted rolls and barbecue sauce, make good eating for the football crowd. To make the barbecue sauce easily, put a cup of chili sauce, a tablespoon of brown sugar, two or three tablespoons of cider vinegar, and some thin onion rings in a saucepan. Simmer the sauce for about five minutes and when you pour it over the hamburgers see that there's an onion ring on each.

Grease should be removed from kitchen walls and cabinets before painting to ensure cleaner finish.

MISS BONNIE PROVO is the fiancée of George J. Comiskey Jr. of Skokie, Ill. The engagement was revealed today by the bride-elect's parents, Mr. and Mrs. Horace C. Provo of 1201 16th Ave. S. Miss Provo attended the Vogue Art School in Chicago. Young Mr. Comiskey, a son of the senior George J. Comiskey of Skokie is a graduate of DePaul University where he received his bachelor of science degree. He is a member of Phi Kappa Alpha fraternity. A fall wedding is planned. (Ridings Photo)

Junior Class Is Host To Senior Class At Banquet

NAHMA—The Junior class of Nahma High School was host to the graduating class and faculty Saturday evening at their annual banquet, served in the school dining hall. The dinner was prepared by Mrs. Fred Popour, and she was assisted by mothers of the juniors.

Program for the evening was as follows: Grace, Willard Clement Greetings, Aaron Sanford Response, Donald Groleau Gittatory, Mary Ann Sheedio Prophecy, Duane Popour Senior Will, Darla Turan Remarks, Miss Krutina Senior class officers of the 1953-54 school year are Donald Groleau, president; Jeanette Clement, vice president; Darla Turan, secretary and Rhea Turan, treasurer. Officers of the Junior Class are Aaron Sanford, president; Mary Ann Johnson, vice president, and Nancy Forslund, secretary-treasurer.

Altar Society
St. Anne's Altar Society met at the parish house Tuesday evening and planned a dinner for all members of St. Jacques May 25. Members wishing to attend the dinner should contact Mrs. Henry Sargent before May 15. Mrs. Vital Hebert and Mrs. Ivan Schafer are co-

chairman for the dinner party.

Following the dinner, the last meeting of the year will be held with Mrs. Vital Hebert as hostess. The group will meet again in September.

The Society agreed to purchase new heating units for the church and to help toward the financing of the installation of them. Mrs. Reginald Hebert was in charge of the social hour.

Once in a while a cookie recipe will call for ground semi-sweet chocolate. Here's a tip: Make sure your grinder is absolutely dry before putting the chocolate through it. Use a medium cutter and don't try to grind all the semi-sweet chocolate pieces at once—just a few at a time.

Work Begins On New House For Fire-Stricken Family

Concrete footings were poured Wednesday afternoon for a new 4-room house to be erected at Cooks for the Eldred DeMars family, whose home was destroyed by fire last winter.

Members of VFW Post 4420 began the construction work, on a site donated by the father's parents, Mr. and Mrs. Arthur DeMars. The new house will be 150 feet from the DeMars' former home, just north of Cooks.

Cement blocks and mortar have been purchased by the VFW, from a fund created by its members, and the last load of lumber was hauled

to the site Wednesday. Wiring and insulation for the new home must still be obtained.

The Independent Roofing company of Escanaba has donated roofing for the home and will install it, and the Manistique bricklayers and masons union has offered to build the chimney.

Nine carpenters from the Manistique union will work on the house this Saturday and another nine the following Saturday. The house is expected to be completed about May 15.

Wilfred Johnson of Cooks, a director of the trust fund established for the family, is in charge of construction. Assisting with the project is Matt Walters, of Cooks, also a trustee.

Other officers for the trust fund are Archie Carpenter, chairman; Edward Doyle, William Hentschell and Roy Anderson. Approximately \$800 was raised for the family in a community-wide benefit this past winter.

Mrs. DeMars and the two children now are home from Schoolcraft Memorial Hospital, and the family is living with the father's parents at Cooks. One daughter, Sylvia, has been receiving treatment at University Hospital in Ann Arbor.

Church Project Yields \$1487

Members of the Manistique Presbyterian Church of the Redeemer thus far have earned \$1487 with their parable of talents project, Mrs. Jan McKilligan reports, and some money is outstanding.

The project was instigated a year ago by the Rev. Paul Sobel, who gave each of 230 parishioners a dollar. Members caned chairs, made Easter decorations, cleaned sewing machines, and otherwise applied their talents to make the dollar grow.

The return on the one dollar investment yielded an average of better than \$6 per parishioner.

The funds, which have been turned over to Herbert K. Peterson, church treasurer, will be used for costs of the new Sunday School addition started last fall.

Mrs. G. Leslie Bouschor and Mrs. McKilligan served as co-chairmen of the project after the Rev. Sobel left for Iron Mountain last year.

Harvey Humbert, Of Garden, Dies Of Heart Attack

Harvey William Humbert, 72, of Garden, died Tuesday afternoon at the home of his son-in-law and daughter, Mr. and Mrs. William Smith, in Fayette, following a heart attack suffered while helping his son-in-law slaughter a pig.

Humbert was born Feb. 28, 1882, in Fayette and was a retired farmer.

He married Victoria LaSalle Sept. 22, 1904, in Garden, and would have celebrated his golden wedding anniversary in September.

Surviving are his wife; one daughter, Mrs. Smith, of Fayette; four grandchildren; two great grandchildren; his mother, Mrs. Sophia Chayer, of Garden; four sisters, Mrs. Henry Stratton, Mrs. William Stratton, Mrs. William Eggert and Mrs. Howard LaCost, of Garden, and one brother, Jack Chayer, of Fayette.

Funeral services are incomplete, pending the arrival of grandchildren from California. Burial will take place at Fayette.

City Briefs

Mr. and Mrs. G. Leslie Bouschor returned Tuesday evening from Rochester, Minn., where they received medical checkups, and Mankato, Minn., where they visited relatives.

A2c Raymond Hill is spending a 30-day furlough with his parents, Mr. and Mrs. William Hill, in Cooks, following two years duty in the Philippines.

The Rev. E. A. Martell, 312 S. Maple Ave., who has been serving as interim pastor at Zion Lutheran Church, has left for his home at Fergus Falls, Minn.

Mr. and Mrs. Thomas Wilson and daughter, Harriet, 133 Arbutus Ave., returned Tuesday after attending the wedding of their son, Tommy, at Milwaukee Saturday.

Mike Barnes, N. Mackinac Ave., has left to visit his son and daughter-in-law, Mr. and Mrs. Philip Barnes, at Aiken, S. C.

Briefly Told

Choir Practice — The choir of the First Baptist Church will practice in the church at 7:15 tonight.

Surgical Dressings — The surgical dressings committee of the Hospital Auxiliary will meet in the dining room of Schoolcraft Memorial Hospital at 2 p. m., Friday.

Sewer Job Waiting For Skinny Person

PHILADELPHIA — Can you crawl through a sewer only 8 inches in diameter?

If you can, the Philadelphia Water Department has a job for you at \$3,125 to start with yearly increases to a maximum of \$3,583.

The city's hunt for skinny people began when the Civil Service Commission approved a change of specifications to require that applicants for jobs as sewer crawlers must be able to crawl through a sewer 18 inches in diameter.

The job entails inspection and maintenance work.

It costs about \$1,480 to fly a small, young elephant from Bangkok to New York, at least 40 having already made the air trip.

Fish Are Boosted Over Flume Wall In Experiment

Walleyes and Northern pike unable to enter the Manistique River, got a boost over the paper mill flume wall Tuesday night by members of the Schoolcraft County Sportsmen's club and conservation department officials.

Approximately 20 men conducted a trial operation with a seine, electric shocker and buckets in an effort to find a way to get the game fish into the river.

"There never has been a feasible way to put a ladder in the flume gates for all types of fish," Merwin White, club president, explained. And without a ladder the fish are unable to ascend the flume wall, about 15 feet high, to go upstream to spawn.

Shocker Works Better
There is an extreme concentration of fresh water fish here and the Manistique River is not polluted to any extent, the club president noted.

The club plans to try several more times this spring to lift the fish from the flume overflow. Only a few were lifted Tuesday night. About 200 lamprey eel were killed in the operation.

Martin Miller, of the state fish hatchery at Thompson, and hatchery employees worked with members of the club using the electric shocker, which was found more suitable than the seine for bringing the fish to the "helpers."

Officials Here
The Manistique Pulp and Paper Company closed its gate near the city shops to lower water alongside the flume, and fish were lifted from the area between the mouth of the river and the gate. Many children and adults watched the operation from the highway bridge.

The sportsmen's club plans to place a trap net in the harbor, near the west breakwater, when perch start running, if a suitable net can be obtained.

Conservation officials here for the experiment included James Scully, of Marquette, supervisor in the fish division for Upper Michigan, and Leland Anderson, of Newberry, chief of the fish division.

Milwaukee Girl Becomes Bride Of Thomas E. Wilson

At a double-ring ceremony performed Saturday at St. James Episcopal Church in Milwaukee, Wis., Miss Patricia Ann Fish, of Milwaukee, became the bride of Thomas E. Wilson, son of Mr. and Mrs. Thomas L. Wilson, 133 Arbutus Ave.

The bride is the daughter of Arthur Fish and Mrs. Harris E. Schauer, of Milwaukee.

The Rev. Bernard G. Buley officiated at the 10:30 a. m. service and organ music was played by Dean Randall. The altar was decorated with Easter lilies.

The bride was attired in a white organdy, ballerina-length gown with eyelet hem and bodice styled with a jewel neckline and puffed sleeves. Her shoulder-length veil was attached to a wreath of pearl and flowers and she carried a colonial bouquet of white carnations.

The Attendants
Mrs. Kenneth F. Leibundgut, of Milwaukee, sister of the bride, was matron of honor. She wore a blue lace ballet-length gown with sweetheart neckline and a blue head piece and carried a colonial bouquet of pink carnations.

Miss Mary Lou Chambers, the bride's cousin, also of Milwaukee, was the flower girl. She wore a pink, ballet-length gown with Peter Pan collar and a blue head piece. Her bouquet was of blue carnations.

Jean Giralte was best man. Mrs. Schauer attended her daughter's wedding in a pale blue, sheer print dress with white accessories.

Mrs. Wilson, the bridegroom's mother, wore a navy and white sheer dress. Both mothers wore corsages of white carnations with pink tea roses.

Home In Milwaukee

A wedding breakfast for the immediate families was served at Hilcrest Inn and a reception was held from 2 to 6 p. m., at the home of the bride's father, at 3343 S. Pine Ave., Milwaukee. The house was decorated with pink and white streamers silver bells and pink and white flowers.

The couple, after a wedding trip to Chicago, Ill., will make their home at 831 N. Jefferson St., Apt. 3, in Milwaukee. For going away the bride wore a beige suit with

Social

St. Bernadette Circle
St. Bernadette Circle met Tuesday evening at the home of Mrs. Clayton Riley, 5. 4th St. Mrs. Peter Kasbohm was assisting hostess. Following the regular business meeting, cards were played and prizes were given to Mrs. Ronald Thibault in bunco and Mrs. William Duchene in 500. Mrs. Duchene also was given the special award.

Lunch was served at the close of the evening.

The bride is a graduate of Bay View High School in Milwaukee and the bridegroom was graduated from Manistique High School.

Out-of-town relatives attending were Mr. and Mrs. Thomas Wilson and daughter, Harriet, of Manistique.

Indo-China—The World's Oldest War

Help for Ho came from Red China, just as it did for the North Koreans. Thousands of his troops were trained in China by battle-seasoned veterans, directed by Russian staff officers. Ho's guerrillas got modern weapons — automatic guns, tanks, artillery.

In September, 1950, Ho was ready to strike a major blow. His black-clad Viet Minh forces rolled down from China's border, capturing one French border fort after another. In October, an evacuating French garrison and a rescue column of 3500 men were ambushed. Only 600 escaped.

Viet Minh troops forced the French back until by the end of 1950 Ho controlled a 5000-square-mile triangle whose base rested on Red China. Its apex aimed at the rice-rich Red River delta and the city of Hanoi.

Some flowers have an odor which is nauseating to man but which attracts certain flies which pollinate the flowers.

GLADSTONE

Duluth-Marquette Passenger Service Cutback Approved

ISHPEMING (AP)—The Michigan Public Service Commission today approved a cutback in passenger service between Duluth, Minn., and Marquette, Mich., by the Duluth, South Shore & Atlantic Railroad.

The MPSC authorized a year's trial of tri-weekly service instead of daily service which now prevails both ways. Under the new plan, a train would run from Marquette to Duluth today and return tomorrow.

The railroad petitioned for permission to abandon all passenger service between Duluth and Marquette and between Marquette and St. Ignace on the Straits of Mackinac. It said it was losing money on both runs.

The MPSC announced it would conduct a hearing Thursday at Newberry on the railroad's petition to abandon Marquette-St. Ignace passenger service.

Today's decision followed a brief hearing at Ishpeming.

Motorist Injured In Traffic Mishap

Melvin Hagman, 27, of 724 Minneapolis Ave., suffered a fracture of the left leg and other injuries Wednesday afternoon in an auto accident on US-241 near Bay View between Escanaba and Gladstone. His condition was reported today as "fair" in St. Francis Hospital where he is receiving treatment.

Michigan State Police of the Gladstone post who investigated the accident said that Hagman was attempting to overtake and pass another car at high speed when he was faced by an oncoming car.

In applying the brakes Hagman's car went into a skid and ran off the road into the trees. The accident occurred at 3:40 p. m. five-tenths of a mile south of County Road 517.

Weaving Rugs Miner's Hobby

TRINIDAD, Colo. (AP)—Weaving rugs, blankets and sweaters is a profitable hobby for a husky coal miner, Gilbert Fernandez, who learned his avocation in the depression days of 1931, when he attended a weaving class at the Valdez, Colo., YMCA.

Since then, Fernandez has woven about 1,600 articles — nearly all of which he sold. One rug went for \$150. His work is patterned after the Chimayo Indian style of weaving. His patterns are in his mind — never on paper. He uses nearly \$50 worth of wool yarn and from 250 to 300 hours in completing a 5 by 7 foot rug or blanket. He has won high awards at the Colorado State Fair and Los Angeles County Fair for his weaving.

Brazil had a population of 55,858,572 in 1953.

City Briefs

Mr. and Mrs. Holger Ostlund, 1509 Minnesota Ave., are the parents of a son weighing 8 pounds, 7 ounces, born early Wednesday morning at St. Francis Hospital. No name has been chosen for the infant. There is another son, John in the family. Mrs. Ostlund is the former Eileen Harbath, Clintonville, Wis.

Mrs. J. D. Staple and daughter Naomi left today by motor for a vacation visit to the East Coast. They will visit in Buffalo, N. Y., and in Fair Haven, N. J., with Mr.

and Mrs. John Staple and family. Mr. and Mrs. Don Peoples, Minneapolis, are the parents of a son, David Ronald, born Saturday morning. They have one other child, a daughter Sandra.

Mrs. George Peoples and granddaughter Sandra Peoples left Wednesday for Minneapolis. Sandra has been spending a few days here with her grandparents.

Baseball Team To Play Friday At Stephenson

Although weather has seriously hampered practice sessions, Gladstone High School's baseball team is scheduled to go into action Friday when they play Stephenson.

son at Stephenson.

During the past few days, Coach Eldon Keil has not been able to hold practice but has, however, worked his pitching staff indoors.

A return game with Stephenson is scheduled for Gladstone on Tuesday, May 11.

Rites Monday For War Hero

Remains of Pvt. Lawrence Kessick, member of the U. S. Army killed in Korea in July 1950, will arrive in Gladstone Saturday morning according to a telegram received by the youth's mother, Mrs. Rose Kessick, 1512 Montana Ave., formerly of Isabella.

The body is being escorted here by Pfc. Wilford F. Lacey. It will be taken to the Skradski Funeral Home where it will rest in state.

The Rosary will be recited at the Funeral Home Sunday evening at 8.

Funeral services are to be held Monday morning at 9 in All Saints Catholic Church, the Rev. Fr. Matt LaViolette officiating. Military rites will be conducted by Walter Cole Post, American Legion, of Rapid River. Burial will be in Fernwood cemetery.

Lawrence Kessick

School Census Work To Start

Taking of the annual school census will again be done by Mrs. John Norton Jr., and the work will be done between May 10 and 30 as is required by law.

All children from 5 to 20 are enumerated in the canvass of Gladstone homes.

It is upon the school census that school aid moneys are distributed.

Social

Coterie

The Coterie meeting scheduled for Tuesday, May 11 has been postponed until May 25. Mrs. James T. Jones will be the hostess at the May 25 meeting.

Study Club

Mrs. John Norton Jr., will entertain the Study Club on Monday afternoon at 2:30 at her home, 602 S. 11th St. Mrs. Gordon Kelley will give a review of the book, "Desires" by Annamaria Selinko.

Royal Neighbors Meeting

A meeting of the Royal Neighbors will be held Saturday afternoon at the home of Mrs. Charles Erickson, 580 N. 10th St. A desert luncheon will be served at 1:30.

B. R. T. Auxiliary

The Ladies' Auxiliary to the B. of R. T. met Monday evening at the home of Mrs. W. A. Moore, 1210 Minnesota Ave. A social hour followed the business session. In the bridge games Mrs. Shirley Buckmaster was high and Mrs. J. S. Sword, second. Mrs. L. J. Weingartner received the special award.

Lunch was served at the close of play.

The committee was composed of the Mmes., W. A. Moore, Frank Nosky and Earl Louis.

August Brassick Tendered Party On 81st Anniversary

August Brassick was honored Tuesday evening at a party arranged to celebrate his 81st birthday anniversary which fell on that day.

The party, arranged by children in the family, was held at the Brassick home, 1308 Montana Ave.

Whist was played during the evening with Mrs. Ed Strom having high, Mrs. Lee Alworden low while a special award went to Mrs. Reynold Redstrom of Escanaba.

A tasty birthday luncheon was served and an attractively decorated cake centered the table.

All of the children of Mr. and Mrs. Brassick with two exceptions were present. They are Fred Brassick, Mrs. Lee Alworden, Mrs. Alphonse Demeter, Mrs. Ed Strom and Mrs. Reynold Redstrom. Leo of Chicago and John of California were unable to be here. In addition to the children, 13 grandchildren and 14 great grandchildren were present.

Michigan Week Program Given

"The Story of Michigan" was told by Charles Burton Sr., at a "Know Your Michigan" program held this afternoon at a general assembly in Gladstone High School.

Preceding Mr. Burton's talk, Lois LeDuc gave Michigan's history and folk lore of the state was presented by James Schram who touched on Indians, Frances Anderson who told tales of Logging and Lumber camps and Pat Farrell who gave talks of the Great Lakes.

Resources were covered as follows: Minerals, David Stock; Michigan Indians, Bob Belongia; Agriculture, Bob Charbonneau; and Recreation, Tom Olson.

State and Community Government and Social Life was presented by Tom LaLonde and Community Economy by Joe Corbiel.

The committee for the program was composed of Miss Harkins, Miss Frisk, Miss Douglas, Miss

In This Corner

With Ray Crandall

You've got to have the dashmen to win track meets, they always say . . . Those sprinters really pile up the points in track and field meets and if you haven't got them it's tough to finish on top.

Marquette gave a good example of that when the Redmen edged the Escanaba Eskymos here recently by a 57½ to 51½ score . . . Three sprinters scored 31 of the Marquette points by sweeping the 100 and 220 dashes, placing one-two in the broad jump and winning the final relay.

The first no-hitter in Upper Peninsula High School baseball circles was hurled by a Wisconsin prepster . . . Florence High School of the Little Seven Conference blanked Vulcan 7-0 last week when Tony Merhalski fired no-hit, no-run ball and whiffed 17 batters . . . He struck out the first 14 men he faced.

The Iron Mountain Lions Club is sponsoring a baseball special train to Milwaukee to the Braves-Brooklyn game Sunday, Aug. 29 . . . The Lions will place 450 tickets on sale for the game at \$13 for the package . . . They dropped plans to sponsor a second trip to Milwaukee because they were unable to get a special rate for railway transportation.

Have you heard the story about the golfer who teed off and got a nice drive, right down the middle of the fairway? . . . It seems he found his ball perched atop an ant hill . . . He took a mighty swing and wham—part of the ant hill went flying, but the ball remained . . . He took another swing—more of the ant hill departed, the ball remaining . . . Finally, one ant turned to another and said, "Brother, if we are to survive, we'd better get on the ball."

In the three-year history of the Escanaba Jaycee Little League, no pennant winner has come back to be a contender the following season . . . The St. Joe Boosters won in 1951 but dropped to the cellar the following year . . . Last year the Kiwanis team fell from defending champion to last place . . . Rotary won last year and will be seeking to break the jinx this season.

With six weeks of bowling completed, the doubles entry of Eileen VanEffen and Dorothy Peterson still leads the Upper Peninsula Woman's Bowling tournament being rolled at Marquette . . . The duo has a 1119 score at the head of the list.

Eskymo Golf Champions Open '54 Season Today

The Escanaba Eskymo golf team, defending Class B champion in the Upper Peninsula, will open the 1954 season this afternoon with a match against the Iron Mountain Mountaineers, last year's runner-up in the championship tournament.

Coach Jack Magnuson has three senior lettermen back from last

year's title-winning squad. Bill LeMire, Jim Finn and Tom Gregoire are letterwinners.

Three juniors on the team are John LeMire, Don Mathews and Gerald Hanson. Sophomores are Tom Hogan, Fred Olson, Bill Nelson, Bill Harrison and Bob Krause.

On Saturday the Eskymos will travel to Marinette to compete in a triangular meet with the Marineres, Menominee and Oconto. Next Tuesday the team will travel to Menominee for a dual match and meets will be scheduled with St. Joe, Gladstone and Ishpeming. The Upper Peninsula finals will be held this year on May 24 at the Iron Mountain links.

With three lettermen in action and several good newcomers on the squad, the Eskymos will be rated strong contenders to repeat for the U. P. golf crown this season.

Archers Join U. P. Association; Will Hold Meet Tonight

The Escanaba Archery Club, which last week joined the Upper Peninsula Archers Association, will meet at the firing range at Club 314 this evening at 7.

The local group meet with Upper Peninsula officials here last week to join the organization which has membership in every major city in the Peninsula.

Creighton Sundblad of Ishpeming, secretary of the Upper Peninsula group, explained the objectives and activities of the Association to local archers.

Sports Briefs

EAST LANSING (AP) — With the score tied 1-1, Michigan State staged a four-run third inning uprising and went on to defeat Notre Dame 8-1 in a non-conference baseball game Wednesday.

In the Spartan rally, Ray Collard tripled home two runs, then scored on Bob Powell's four-bagger over the fence.

Fisher Says Wolverines Not Good As Last Year

ANN ARBOR (AP)—The University of Michigan leads the Big Ten baseball race with a 5-1 record but Coach Ray Fisher says, somewhat surprisingly: "We're not nearly as good as last year."

"If you want to write a story about the league leaders, you'd better hurry up. 'We're going on the road to play Minnesota and Iowa this week.'"

You asked yourself a question: Is this another in the long line of laments from the Crying Towel Assn., of America — otherwise known as the coaching fraternity?

Unlikely, Fisher has been around too long (this is his 34th consecutive year as Wolverine baseball coach) to speak for effect. Besides, who would he be trying to impress? Simply, there just isn't any great interest in collegiate baseball, certainly not enough to

FIGHTS LAST NIGHT

(By The Associated Press) BALTIMORE — Holly Mims, 155½, Washington, knocked out George Johnson, 152¼, Trenton, N. J., 9. MEXICO CITY — Floro Hita, 134, Havana, outpointed Jose Arguilles, 134, Mexico, 10.

Lemon, Porterfield In Impressive Mound Wins

(By The Associated Press)

Bob Lemon, who has won at least 20 games in five of the last six years, already has four this season. His fourth was a 7-2 victory over the Philadelphia Athletics Wednesday night. It was his fifth start, his fourth complete game.

With a 4-0 lead after three innings, the 33-year-old Cleveland righthander never was in serious trouble. He walked five and the A's reached him for nine hits, including a home run by Vic Power.

Dave Philley's three-run homer in the sixth clinched matters for the Indians.

Porterfield Wins

Washington's Bob Porterfield, the American League's biggest winner last season, shaded Bob Keegan of the Chicago White Sox 1-0 for his first shutout, Baltimore's Bob Turley lost a two-hitter for the second time this year, 4-2 to the New York Yankees. Detroit's game at Boston was rained out.

In the National League, Philadelphia made it two in a row over

St. Louis 10-3; Milwaukee beat Pittsburgh 4-1; Brooklyn whipped Chicago 7-0; and Sal Maglie of the New York Giants was beaten for the first time after winning four, 7-1 by Cincinnati.

The pitching duel at Washington was broken up in the eighth inning when Keegan, who had won three in a row, walked Roy Sievers with the bases loaded. Porterfield scattered four hits, Keegan gave up five.

Wildness Hurts

Turley's wildness proved his downfall at Yankee Stadium. He walked the bases full in the fifth, watched one run come home on a sacrifice bunt by Eddie Lopat and then after another walk served up a pitch that Joe Collins hit for a "ree-run triple. The hit was the Yanks' first of the game. The victory was Lopat's fourth straight.

Robin Roberts came back 24 hours after being knocked out by the Cardinals and checked the Redbirds on seven hits. His mates solved five St. Louis pitchers for 13 safeties, including four singles by Earl Torgeson.

Cubs Blanked 7-0

Their old teammate, Russ Meyer shut out the Cubs on seven hits for his 11th straight over the Chicagoans.

Eddie Mathews hit his first home run in 10 days and drove in another with a sacrifice fly in the first inning. Pittsburgh bunched three of its six hits for its only run off rookie Gene Conley in the fifth inning. The victory was the first in the majors for the 6-foot-8 right-hander.

The Redlegs banged Maglie's offerings for six extra-base blows, including consecutive homers by Gus Bell and Ted Kluszewski in the fourth.

Niagara Eighth Team In Tri County League

The Niagara Badgers were admitted to the Tri County Baseball League at a meeting held Tuesday night at Perronville.

Niagara makes the eighth entry in the Tri County circuit but Hermansville's entry is in doubt. A spokesman for the Hermans-

Trout Hurling, Williams Catch

BOSTON (AP)—Unusual battery-mates and a Detroit pitcher stepped onto the scene as rain once more drowned out the Detroit Tigers-Boston Red Sox game Wednesday.

Ted Williams, getting back into shape after breaking his collarbone, did the catching. Paul (Dizzy) Trout, former Tiger righthander now sportscaster, was on the mound.

After one pitch, Williams yelled, "Hey, Paul, you never let me have that slider over the plate when I was batting against you." Trout, who often works out with his old mates, merely grinned. "I could hit Trout occasionally but he was always tough on me," Williams said. "How did he get me out? I'll tell you. He'd give me that sinking fast ball away from me and then the slider inside."

Over in the Tiger dugout Detroit coach Schoolboy Rowe was talking about Steve Gromek's 4-0 record.

"You know I've already lost five steak dinners to that guy," Rowe said. "I bet all the pitchers in spring training a steak dinner they couldn't hold the opposition to two or less walks a game. I kept the bet on with Steve after the season began. Do you know he's given up only three bases on balls all season? The bet's off."

Niles High School Ace Tosses No-Hit

NILES, Mich. (AP) — Bill Neeley, Niles High School left-hander, pitched a no-hitter Wednesday as his team defeated South Bend (Ind.) Central 4-1.

The 17-year-old senior struck out 15 after giving up a lone run on a pair of walks and a fielder's choice in the first inning. Neeley pitched two no-hitters last year.

Hutch Takes Bright View Of Flag Race

BOSTON (AP)—Yesterday was "if" day for Manager Fred Hutchinson of the Detroit Tigers.

Detroit's game with Boston was postponed but despite solemn, gray skies, Hutchinson took a bright view of the Tigers' chances in the American League pennant race—"if!"

"If we continue to get the kind of pitching we have seen this spring, we certainly will be a factor," the Tiger skipper said.

"If Bill Tuttle will just keep on swinging as he is, he'll keep hitting. That's the way he got up there over the .400 mark — by swinging all the time."

"I'll say that we definitely have a chance to fight for the pennant."

Thus far, the Tigers have done well against all — except the weatherman. He's been striking them out consistently.

Since leaving Briggs Stadium 10 days ago, the Tigers have played exactly four games — a meager nine hours of competition. Detroit won three of those four games.

The Tigers and Red Sox, who haven't met this season except in spring training and in Boston's hotel lobbies, will try it again today.

Ned Garver was named to pitch for Detroit, to be opposed by either Willard Nixon or Leo Kiely.

BARELY — Missing a shoe, Ernie Shelton clears 6 feet 9 and 7/16 inches in high jump. Effort is one inch short of record, but wins Southern California's meet with Stanford in Los Angeles. (NEA Photo)

TV Boxing War Starting May 17

NEW YORK (AP)—It will be Dumont-TV vs. ABC-TV each Monday night starting May 17 in a "war" for the eye of the boxing television fan.

The battle lines were drawn Wednesday when the New York State Athletic Commission approved the license and contracts drawn for the Eastern Parkway Arena group and ABC.

The Parkway Club then announced its May 17 attraction, lightweight contender Orlando Zulueta of Cuba vs. Percy Basset, high ranking featherweight, in a 10-round bout.

Dumont, which has telecast the Parkway bouts for two years, then signed up with the London Sporting Club for weekly Monday night shows. Its first headliner will match featherweight champion Sandy Saddler and Algerian Houcine Khalifi in a non-title 10-rounder on May 17.

Both networks plan to telecast the main bout starting at 9 p. m. CST.

Yesterday's Stars

(By The Associated Press) Pitching — Bob Porterfield, Washington, scattered four hits to shut out Chicago White Sox, 1-0.

Batting — Joe Collins, New York Yankees, hit a bases-loaded triple and drove in three runs as the Yanks beat Baltimore 4-2.

Fisher Says Wolverines Not Good As Last Year

ANN ARBOR (AP)—The University of Michigan leads the Big Ten baseball race with a 5-1 record but Coach Ray Fisher says, somewhat surprisingly: "We're not nearly as good as last year."

You asked yourself a question: Is this another in the long line of laments from the Crying Towel Assn., of America — otherwise known as the coaching fraternity?

Unlikely, Fisher has been around too long (this is his 34th consecutive year as Wolverine baseball coach) to speak for effect. Besides, who would he be trying to impress? Simply, there just isn't any great interest in collegiate baseball, certainly not enough to

FIGHTS LAST NIGHT

(By The Associated Press) BALTIMORE — Holly Mims, 155½, Washington, knocked out George Johnson, 152¼, Trenton, N. J., 9. MEXICO CITY — Floro Hita, 134, Havana, outpointed Jose Arguilles, 134, Mexico, 10.

Mims Scores KO Over Johnson

By LOU PANOS

BALTIMORE (AP)—Hard-punching Holly Mims, who chilled the "hottest thing in America" Wednesday night, has his sights set on a bout with middleweight champion Bobo Olson.

The 25-year-old Washington, D. C., veteran scored a ninth-round knockout Wednesday night over George Johnson, young knockout sensation from Trenton, N. J., who had won 17 straight bouts.

"If we can't get Olson, they ought to at least give us Rocky Castellani or Joey Giardello," said Benny Hrotta, Mims' manager. He said if none of these matches can be arranged, he would try to line up an over-the-weight match with welter title-holder Kid Gavilan.

What Mims did to Johnson was a skillful boxing demonstration. The end came one second before the bell would have ended the ninth, after Mims had spent most of the round luring Johnson into taking the lead and pinning Mims against the ropes.

Mims straightened him with a stiff right uppercut, followed with a left hook, and draped him over the lower rope with a tripphammer overhand right where Johnson took the full count.

Crazy Or Not, He's Got Speed

NEW YORK (AP)—Bullet Bob Turley, Baltimore's young fireball pitcher, denied today that he is "fast-ball crazy" and said the Yankee player who called him that is "crazy, period."

The 23-year-old righthander said he had learned that Bill Miller, Yankee southpaw who was his teammate with the San Juan club in the Puerto Rican League last winter, had circulated that rumor. He also said he had received an apology from general manager George Weiss on behalf of Miller and the Yankee organization.

Turley said a recent letter from Harry Craft, his manager at San Juan and also manager of the Yankee farm club at Kansas City included a copy of Craft's report on Turley to the Yankees. He said it read:

"Great fast ball; good curve that needs developing. Will win in the big leagues in '54. Should be great in '55."

Turley dropped a 4-2 game to the Yankees Wednesday although yielding only two hits. He leads the American League in strikeouts, 37, including five Yanks he fanned Wednesday.

First Workout For Bears Slated Today

First practice session for the Escanaba Bears baseball team will be held this evening at 6:30 at the city diamond, it was announced this morning by Bob Dufour, manager.

Delayed in starting workouts by the cold weather, the Bears are eager to get organized for the season. All ball players interested in trying out for the team are invited to the practice session tonight.

Idle last year, the Bears have reorganized and will play on an independent basis this season in an effort to revive interest in senior baseball in Escanaba.

The longest touchdown play in Michigan State College history was a 90-yard run by Lynn Chandrais against Arizona, Nov. 19, 1949.

One Final Change As City Keg Meet Ends

Only one change in the leaders of the City Association Bowling tournament was recorded this week as the tourney closed at the Arcade Alleys last night.

Larry Patrick spilled a 661 series to take over third place in the singles division.

The Arcadians held onto first place in the team event, Jack Beck and Charley Lundmark retained their doubles lead and Lawrence Willette kept his singles title. Bob Moran topped the all-events list.

VOTE ON NEGROES

BIRMINGHAM, Ala. (AP)—Birmingham residents will vote June 1 whether to retain an ordinance which permits Negroes and white persons to play professional baseball and football together here.

The recently enacted statute is opposed by a group which wants Birmingham's former rigid segregation laws restored.

CHICAGO (AP)—A potent blend of hitting and pitching today explained the top ranking of Michigan's defending conference and NCAA champions in the Big Ten baseball campaign.

Michigan's Wolverines, leading the league race with a 5-1 record, boast two of the Big Ten's six pitchers with 2-0 marks and rank second in team hitting at .268.

Official loop statistics credit Michigan State 3-1-1 with the best batting average, .315.

Jack Ritter, who has not allowed an earned run and yielded only six hits in 18 innings, and Jack Corbett are Michigan's twice victory hurlers. Other hurlers in the double victory bracket are Paul Giel and Ron Craven of Minnesota; Ron Erickson of Michigan State, and Paul Ebert of Ohio State.

Purdue's Joe Sesson, an outfielder, leads the conference hitters with a .335 percentage with

Hearing Slated Today On 'Coddled' Athletes

By HERB ALTSCHULL
WASHINGTON (AP)—House investigators called Army officers to a public hearing today to explain reports that 10 name athletes spent most of their time in the Army playing baseball and boxing.

Eight major league baseball players and two boxers are listed among the 10 men whose cases are under study by a House armed services subcommittee headed by Rep. Hess (R-Ohio).

The House members are trying to find out whether these men were "coddled" instead of taking part in normal military duties.

Athletes Not Charged

Hess has made it clear, however, that the players themselves are not charged with doing anything improper.

Brig. Gen. Herbert P. Powell, deputy chief of the Army's personnel division, told the subcommittee (Wednesday) the Army's baseball, basketball, football and other sports are "moral builders, even for the spectators."

He produced documents showing

that the Army had been issuing directives since 1919 against favored treatment for name athletes and entertainers, but acknowledged "in a few cases, field commanders may not have carried out department policy."

New Army System

Powell said the Army has put into effect a new monitoring system under which a check will be kept on all athletes on active duty to guard against any abuse of the Army policy.

To back up his contention that the Army has not given preferential treatment to athletes, Powell handed the committee a list of 62 nationally known athletes and entertainers who served overseas between 1952 and 1954.

Athletes on Powell's list included Curt Simmons, pitcher for the Philadelphia Phillies; Don Larsen, pitcher for the Baltimore Orioles; Del Crandall, catcher for the Milwaukee Braves; Leo Kiely, pitcher for the Boston Red Sox; Arnold Galiffa, Army quarterback and Clayton Tonnemaker, Minnesota football star.

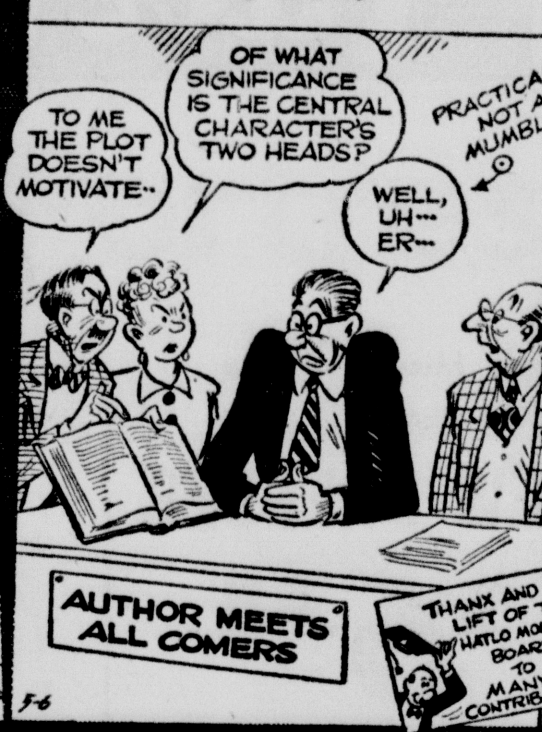

They'll Do It Every Time

J. NOSEGARY WINDY WRITES THOSE 8,000,000-WORD HISTORICAL NOVELS... WITH VERBIAGE HE'S STRICTLY NON-STOP.

By Jimmy Hatlo

BUT ON AN INTERVIEW PROGRAM...HE NEVER OPENS HIS YAP!!

Sports Roundup

(NEA Service)

Six years ago, spring surprise Marv Grissom of the Giants was within one wide pitch of his out-right release in the minors... bases loaded, none out, score tied and Grissom serves up three balls in relief... But the next three were strikes, two pop-ups followed—and a confident Marv was ready to jump from Sacramento back to the majors.

Leo Derocher's locker was moved into the main Polo Grounds dressing room at Horace Stoneham's behest so The Lip couldn't pop off about his players in the privacy of his office.

Addendum on the Jackie Robinson-Sal Maglie vendetta: Jackie recently told Sal, "You must be a magician—to get us out with the junk you throw"... which recalls that two years ago, Robbie, after two futile pops against Maglie, was thrown out on a dragged bunt... and as the thoroughly aroused Robbie chugged across first, Sal, running alongside, chided, "Jackie, you're in the wrong business. You should have been a clown"...

If pros were good enough to compete with and against collegians in World War II, why should Ford Ord sprinter (and fullback) Ollie Matson be ineligible now? ... or was he winning too many dashes? ...

The Yanks' Jim McDonald used to chew tobacco — until a line drive through the box made him swallow his cud... The Houston Buffs have a young pitcher named Tony Stathos, who used to walk around squeezing a sponge ball to strengthen his hand... The Nats' Jim Busby played tailback for Texas Christian in the 1945 Cotton Bowl with a broken collarbone taped up...

Could the strange omission of one of the most talented collegians in the first round of the pro basketball draft be due to the fact he likes an occasional nip or two?

Sammy Baugh was the boyhood idol of Harry Agganis (who also wore No. 33) and was instrumental in swerving him to a baseball career... When Harry was quarterbacking for Boston U. a couple years back and met Baugh, skinny Sam took one look and drawled, "Man, you're big enough to play the game all by yourself"... but added, "If I could have hit that

Sal Maglie

curve in Rochester, I'd still be playing shortstop."

Johnny Mize, a broadcaster now, sounds off in the press box: "You can't write anything bad about me now. I'll go on the air the next day and straighten it right out..."

Two long distance sluggers who choke up on their bats are Al Rosen of the Indians and Del Ennis of the Phils... Phil gardener Johnny Wyrostek loves to play against the Reds, his erstwhile mates, because he can get Cincinnati trainer Doc Anderson to knead his aching back... Marty Marion was comparing Oriole hurler Bob Turley to Robin Roberts one season back, if anybody bothered to listen...

Turley's the East St. Louis, Ill., boy who passed up better offers to sign with the defunct Browns so he "could stay closer to home"...

... only to find the club moved to Baltimore his second year up...

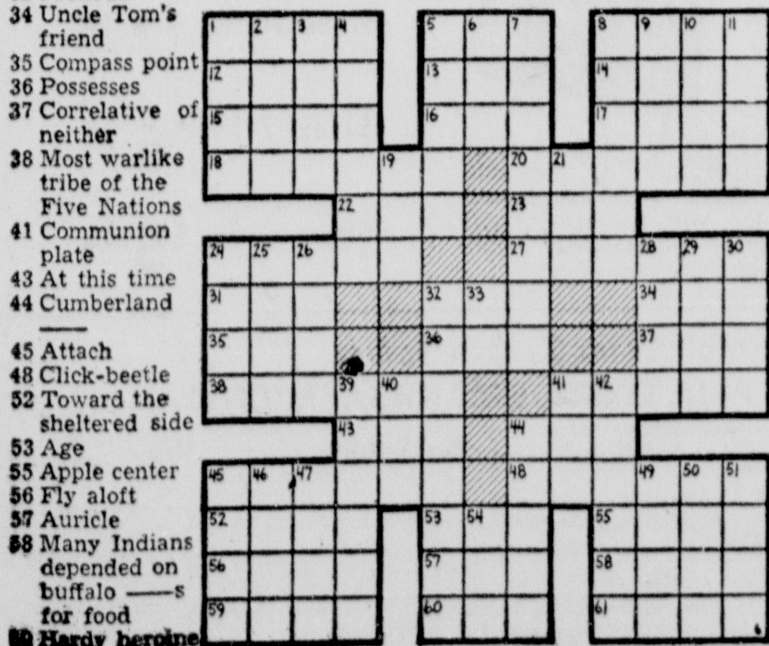

A light overcast won't bring out the sunshine of your smile, but it produces the best reception for your baseball telecast... The 1:30 starting time can take some credit for three-hour games because the players have an afternoon to dawdle... whereas with the old 3 p. m. start, they wanted to get it over with—especially if there was a pressing engagement that evening...

Secret Reports Measure Vetoed

LANSING (AP)—A bill which would have permitted corporations to file secret reports with the state was vetoed by Gov. Williams.

This was his third veto of the 1954 legislative session.

The measure would have permitted corporations to file two reports. The first, open to public inspection, would contain only the corporation's location and the names of its officers and directors. The second report, which would be secret, would contain general financial information.

"Sound public policy requires the continued public disclosure of pertinent public information about the operation of Michigan corporations," Williams said.

CARD OF THANKS

We wish to express our sincere thanks to the friends and neighbors who so kindly assisted us during the hours of our recent sad bereavement, the death of our mother. Especially do we thank Fr. Carmody, the pallbearers, those who donated cards and flowers and mass cards, and other tokens of sympathy.

Charles Gaffner and Family, Mathew Gaffner and Family, Emil Gaffner and Family, and Cecilia Gaffner. A6084-126-1t
